PROFESSIONAL EXPERIENCE

2020 - current	Head of Institute [Thuenen-Institute of Wood Research, Hamburg]
2013 – 2020	Full professor (W2) for wood physics, wood composites and processing technology [University Hamburg]
2007 - 2013	Senior research fellow for wood polymer composites (WPC) [Georg-August-University Göttingen]
2001 -2007	Project manager and graduate research assistant [Georg-August-University Göttingen]

AWARDS AND FELLOWSHIPS

2007	Schweighofer Prize: Category wood product innovations [Schweighofer Foundation, Austria] Topic: Development of innovative and weathering resistant composites from solid wood using reactive resins.
2004	Ron Cockcroft Award [International Research Group on Wood Protection (IRG), Stockholm/Sweden]
2001 - 2002	Marie Curie Fellowship [Stichting Hout Research (SHR), The Netherlands] Topic: Chemical modification of solid wood using Dimethylol dihydroxy ethylene urea (DMDHEU)

EDUCATION

- 2006 **PhD (Doktor Forst) [Georg-August-University Göttingen]**
Thesis: Wood modification using N-Methylol-derivatives
- 2001 **Traineeship as forestry manager [Management of state forest, Germany]**
- 1999 **Diploma degree in forestry science [Georg-August-University Göttingen]**
Thesis: Possibilities for multifunctional development in slow growing pine forests

CERTIFICATES

- 2018 - 2020 **Conflict management and mediation [University Hamburg]**
Content: 2 years program, including theoretical background and practice coach
- 2008 -2010 **University certified lecturer [Georg-August-University Göttingen]**
Content: 2 years program, including theoretical background and practice coach

EDITORIAL AND ADVISORY EXPERIENCE

- 2014 **Scientific advisory board of Wood Kplus**
- 2017 **Editorial board: European Journal of Wood and Wood Products (Springer)**
- 2018 **Editor of special Edition: Fibers (MDPI)**
