

# Curriculum Vitae

Professor Pranee Liamputtong (PhD)  
Adjunct Professor

An abstract graphic consisting of several overlapping, wavy, translucent blue shapes that create a sense of movement and depth. The shapes are in various shades of blue, from light to medium, and are layered to create a 3D effect. The graphic is positioned in the lower half of the page, behind the text.

## NAME AND ADDRESS

**Professor Pranee Liamputtong** (formerly Liamputtong Rice)

**Adjunct Professor**

Translational Health Research Institute (THRI)  
Western Sydney University, New South Wales, Australia

**Email:** [p.liamputtong@westernsydney.edu.au](mailto:p.liamputtong@westernsydney.edu.au)

**Adjunct Professor**

School of Psychology and Public Health  
College of Science, Health and Engineering  
La Trobe University, Victoria, Australia

**Email:** [pranee@latrobe.edu.au](mailto:pranee@latrobe.edu.au)

**Adjunct Professor**

Faculty of Public Health  
Mahidol University, Bangkok, Thailand

**Visiting Professor**

College of Public Health Sciences  
Chulalongkorn University, Bangkok, Thailand

## CITIZENSHIP

Australian

## LANGUAGE SPOKEN

Thai, English, Lao

## QUALIFICATIONS

PhD (Health Science Education – Social science perspective), Monash University, Australia, 1989.

MEd (Educational Technology), Srinakharinwirote University, Thailand, 1977.

BEd (Science - Physics), Srinakharinwirote University, Thailand, 1975.

DipEd (Primary Education), Yala Teachers' Collage, Thailand, 1971.

## TEACHING & ADMINISTRATIVE EXPERIENCES

**Casual Lecturer/Tutor** - School of Health Sciences, Western Sydney University, Australia, from February 2021. Teaching two Units that I developed while being a full-time professor in the School:

401238 – Qualitative Research Methodology in Health (postgrad unit)

401372 – Social Determinants of Health (postgrad Unit)

**Professor of Public Health**, School of Health Sciences, Western Sydney University, Australia, February 2016 – January 2021.

***Past teaching responsibilities at WSU (2016-2021):***

**Postgraduate Level:**

401238 – Qualitative Research Methodology in Health (postgrad unit) (also Co-ordinating the Unit)

401372 – Social Determinants of Health (postgrad Unit) (also Co-ordinating the Unit)

401079 – Dissertation (postgrad Unit, full-time Unit) (also Co-ordinating the Unit)

401282 – Dissertation (postgrad Unit, part-time Unit) (also Co-ordinating the Unit)

**Undergraduate Level:**

400866 – Culture, Diversity and Health (undergrad unit)

400865 – Evidence-Based Practice (undergrad unit)

400732 – Communication in Health (undergrad unit)

400966 – Health Politics, Policy and Practice (undergrad unit)

400944 – Evidence-Based Practice (Advanced) (Honours)

***Past teaching responsibilities at LTU:***

**Course Co-ordinator:**

Postgraduate Diploma in Health Research Methodology, School of Public Health, La Trobe University, 2002 – 2016.

Master of Health Sciences, ‘Health Evaluation and Research’ major, 2011– 2016

Honours Programme, School of Public Health, La Trobe University, 2002 – 2016.

**Teaching and co-ordinating:**

**Postgraduate Level:**

*Health Research A*

*Health Research C*

*Qualitative Methods in Health Research*

*Health Data and Decision Making*

*Community Groups and Public Health*

*Gender, Ethnicity and Health*

*Cross-Cultural Midwifery*

*Sociological Foundations of Public Health*

**Undergraduate Level:**

*Culture, Society and the Health of Women and Men*

*Advanced Issues in Health*

*Research Methods in Health*

*Integrating evidence into practice*

*Qualitative Research Methods in Health Care*

*The Health of Immigrants and Refugees*

*Health and Australian Society*

*Health, Culture and Society*

*Community Groups and the Health Care System*

*The Social Contexts of AIDS*

*Introduction to Behavioural Health Science*

*Psycho-Social of Health, Illness and Health Care*

**Personal Chair in Public Health (full professor),** Department of Public Health, School of Psychology & Public Health, College of Science, Health & Engineering, La Trobe University, Australia, January 2006 – January 2016.

**Acting Head of the Health and Social Care Department,** School of Public Health, Faculty of Health Sciences, La Trobe University, 2006 – 2007.

**Associate Professor**, School of Public Health, La Trobe University, Australia, 2001 – 2005.

**Senior Lecturer**, School of Public Health, La Trobe University, Australia, 1998 – 2000.

**Lecturer**, School of Public Health, La Trobe University, Australia, 15 July 1996 – December 1997.

**Senior Lecturer**, School of Sociology and Anthropology, La Trobe University, Australia, January 1994 – July 1996.

**Resource person** (academic) responsible for *teacher training in Science, Mathematics and Technology*, the Institute for the Promotion of Teaching Science and Technology (IPST), Thailand, 1978 – 1982.

**Lecturer**: *Physics, Educational Technology and Health Education*, Surin Teachers' College, Thailand, 1977 – 1978.

## PROFESSIONAL EXPERIENCES

**Research Fellow**, funded by the Victorian Health Promotion Foundation and Public Health Research and Development Council, conducting research into *childbearing, childrearing and reproductive health amongst Southeast Asian refugee women in Australia*, Centre for the Study of Mothers' and Children's Health, Faculty of Health Sciences, La Trobe University, 1 January - 14 July 1996 (I was funded as a Senior Researcher on this project for three years, but I resigned as I obtained a tenured full-time lecturing position at the School of Public Health in 1996).

**Research Fellow**, Public Health Training Position involving with *socio-cultural aspects of women's health*, Centre for the Study of Mothers' and Children's Health, Faculty of Health Sciences, La Trobe University, 1992 - 1995.

**Research Officer** involving with *cross-cultural health issues of refugees and immigrants in Australia*, Victorian Transcultural Psychiatry Unit, Offices of Psychiatric Services, Health Department Victoria, 1989-1992.

**Senior Research Assistant** on the research project *conceptions of teaching in higher education*, funded by Australian Research Council, Centre for the Study of Higher Education, Department of Educational Development and Evaluation, The University of Melbourne, 1989.

**Research Assistant** on the research project *health beliefs and practices in Cambodian refugee community*, funded by National Health and Medical Research Council, Refugee Research Project, Transcultural Health Unit, Department of Child and Family Psychiatry, Royal Children's Hospital, Melbourne, 1988-1989.

**Research Assistant** on the research project *students' conceptual framework for learning about their environment*, Faculty of Education, Monash University, 1984 and 1985.

## RESEARCH/PROFESSIONAL AWARDS AND DISTINCTIONS

Winner of the 2020 School of Health Sciences's **Research Excellence**, Western Sydney University; a reward that recognised excellent performance in research outputs in the last 3 years.

Winner of the 2020 School of Health Sciences's **Teaching Excellence**, Western Sydney University; a reward that recognised excellent performance in teaching in health sciences.

Being invited to be a **participant in the Technical Consultation on Global Sexual Health Data Needs** which was held at Kyoto University, 25-27 November, 2019. This is an effort of Kyoto University School of Public Health in collaboration with the World Health Organization's Department of Reproductive Health and Research including the UNDP/UNFPA/WHO/UNICEF/WHO/World Bank Special Programme of Research, Development and Research Training in Human Reproduction. This interactive meeting convened approximately 15 leading researches, from Asia, with a strong understanding of the field of sexual health indicators and global data needs.

Being invited as a **Visiting Professor**, School of Public Health, Kyoto University, Kyoto, Japan, 19-28 November 2019.

Being invited as a **Visiting Professor**, Faculty of Medicine, The University of Malaya, Kuala Lumpur, Malaysia, 25 November – 5 December, 2018.

Being invited to give a **keynote address** at the 1<sup>st</sup> International of Pharmacy Practices, 27-28 June 2018, Kuala Lumpur, Malaysia.

Being invited as a **Visiting Professor**, Faculty of Medicine, The University of Malaya, Kuala Lumpur, Malaysia, 10-15 September, and 26 November – 9 December, 2017.

Being invited to give a **keynote address** at the 2017 Zonta Club of Macarthur AGM (Zonta International is a global organisation of executives and professionals working together to advance the status of women worldwide through service and advocacy. The Zonta Club of Macarthur is part of Zonta International), Leumeah, New South Wales, 27 September 2017.

Being invited to give a **keynote address** at the 9th International Qualitative Research Conference with the theme: 'Expanding Boundaries through Qualitative Inquiry', 24-26 August 2017, Kuala Lumpur, Malaysia.

Being invited to be a **keynote speaker** and to take part in the project **Stigma in Childhood: Learning from Other Places**, funded by Scottish Universities Inside Institute, under the Programmes of Knowledge Exchange, organised by University of Strathclyde and University of Edinburgh, 2017. The aim of this programme is to bring together lived experience and academic and professional expertise from international and multidisciplinary contexts to enable knowledge exchange in improving policy and practice in addressing and alleviating stigma in childhood.

Being invited as a **Visiting Professor**, Faculty of Medicine, The University of Malaya, Kuala Lumpur, Malaysia, 28 November – 13 December, 2016.

Being invited as a **Visiting Professor**, Faculty of Medicine, The University of Malaya, Kuala Lumpur, Malaysia, 26 September – 9 October 2015.

Being invited as a **Visiting Professor**, Faculty of Nursing, Chiang Mai University, Chiang Mai, Thailand, 1 October 2014 – 30 September 2015.

Receiving the **Faculty of Health Sciences Outside Studies Programme Award**, for undertaking

research on Motherhood and infant feeding practices among HIV- women in southern Thailand, 1 July 2015 - 31 January 2016.

Being invited to give a **Keynote Address** at the 1<sup>st</sup> Nakhon Phanom National and International Conference in Health Care, Nakhon Phanom, Thailand, 8-10 July, 2014.

Being invited to be a **Foreign Scholar**, Faculty of Public Health, Thammasat University, Thailand, June-August 2013.

Being invited to be an **Honorary Professor**, *the Australia-Asia Research and Education Foundation (AAREF)*, 2012-present.

Being invited as a **Guest Speaker** to speak on the *2012 International Women's Day* by Equality and Diversity Centre, La Trobe University, 8 March 2012. The title is *Motherhood and the challenges of immigrant mothers: A personal reflection*.

Being invited as a **Visiting Scholar**, Faculty of Professional Studies, University College of Bodø, Norway, 18-23 September 2011.

Being invited as a **Visiting Professor**, Social Science Research Institute, Chulalongkorn University, Bangkok, Thailand, 10 July-31 August 2011.

Receiving the **Faculty of Health Sciences Outside Studies Programme Award**, for undertaking research on HIV/AIDS and women living with HIV/AIDS in Thailand and editing two books on HIV/AIDS, 1 July - 31 December 2011.

Being invited as a **Visiting Scholar**, School of Nursing and Midwifery, Flinders University, 2 November 2010.

Being invited as a **Visiting Scholar** at the Doctoral School, College of Humanities and Social Sciences, Massey University, Palmerston North, New Zealand, 17-19 November 2009.

Being invited as a member of the *Training Steering Committee (TSC) of Empowerment of TDR*, a **WHO Special Programme** for Research and Training in Tropical Diseases, 2009-2012.

Being invited to give a **Keynote Address** at the 10th Advances in Qualitative Methods Conference, Vancouver, British Columbia, Canada, 8-10 October, 2009.

Being nominated as **International Professional of the Year for 2009** by the Research and Advisory Board sitting at the International Biographical Centre in Cambridge, England. This prestigious award is made available to only a few illustrious individuals whose achievements and leadership stand out in the international community.

Being nominated by the Faculty of Health Sciences and selected by the Organising Committee of Beijing Forum to attend and present a paper at **Beijing Forum 2008**, Peking University, Beijing, China, 7-9 November 2008.

Being included in the 2009 edition of **World Who's Who of Women - 15<sup>th</sup> Edition**, published by International Biographical Centre, Cambridge, England. My credentials have earned me a place among some of the most influential and accomplished individuals in the world.

Being nominated and included in the 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015 editions of **Who's Who of Australian Women**. The book honours inspirational women from all walks of life in Australia.

Being nominated and included in the inaugural edition of **Who's Who in Victoria** and my significant achievements and contributions to Australia are included in this first edition (2008).

Being invited as a **Guest Speaker** to speak at a special assembly about my underprivileged and marginalised life on the **Multicultural Day - Celebrating Women in our Cultures**, Gilmore College for Girls, Footscray, Melbourne, 19 March 2008, as a way to inspire young girls from disadvantaged and ethnic backgrounds.

Being awarded the **Alberta Heritage Foundation for Medical Research Visiting Scholars Program** to visit the Institute for Gender Research, Department of Community Medicine, Faculty of Medicine, the University of Calgary, Calgary, Alberta, Canada, 20 September-3 October 2008.

Being inducted into the **Victorian Honour Roll of Women 2007**. The induction was undertaken on the 2007 International Women's Day, by the Victorian Minister for Women's Affairs, Jacinta Allan. I was amongst 20 other individual women and 10 female doctors who have made a lasting contribution to women in Victoria. The induction of this honour roll is the result of my pioneer work on childbirth issues of immigrant women in Victoria as well as my leadership in qualitative research methodology in health in Australia. The honour roll recognises the outstanding contributions and achievements of Victorian women from all walks of life - past and present. It was launched in 2001 as part of Centenary of Federation Celebrations and continues until 2008, when the centenary of women's suffrage will be marked.

Receiving the **Faculty of Health Sciences Outside Studies Programme Award**, for undertaking research on "HIV/AIDS vaccine clinical trials and women living with HIV/AIDS in Thailand", July- December 2007.

An honorary invitation by the Vice Chancellor Office, La Trobe University to deliver the **Occasional Address** at the Faculty of Health Sciences, La Trobe University's graduation ceremony, 19 May 2006.

Being nominated as an "**Expert of International Standing**" by the Australian Research Council (ARC) College of Experts, 2005-present.

Receiving the **Faculty of Health Sciences Outside Studies Programme Award**, for undertaking research on "Childrearing and infant feeding practices in Northern Thailand", January-July 2003.

Being invited to give a **Keynote Address** at the "Global Bioethics: Exploring Alternative Approaches", organised by the Australasian Bioethics Association, Adelaide, 14-16 February 2002.

An honorary invitation to **open the Birralee Maternity Multicultural Resource Centre and install a plaque of the Centre** (with my name on the plaque), Birralee Maternity Service, Box Hill Hospital, February 2001.

An honorary invitation as a **Guest Speaker** to address issues relating to women of non-English speaking backgrounds at The Bill Vorrath Memorial Address, Twenty-eighth Annual General Meeting, Family Planning Victoria, Box Hill, 23 September, 1997.

Receiving the **Faculty of Health Sciences Outside Studies Programme Award**, for undertaking research on “The social construction of motherhood among Thai women in Northern Thailand”, January-July 1999.

Receiving the **JA Thompson Public Health Practice Award - Highly Commended Prize Award**, for an excellent practice in promoting public health in the area of *childbirth of women of non-English-speaking backgrounds*, by the Australian Public Health Association, 1994.

Being invited to give a **Keynote Address** at the Development of Mothers' and Children's Health Care Services Through Research Conference, organised by the Faculty of Nursing, Burapha University, The Regent Marina Hotel, Pataya, Thailand, 7-9 December 1994.

Receiving the **Commonwealth Postgraduate Research Award**, for undertake a postgraduate research for the Degree of Doctor of Philosophy, Monash University, 1985-1988.

Receiving an award from the **Australian Development Assistance Bureau** to undertake an intensive English course and part of the postgraduate research for the Degree of Doctor of Philosophy, Monash University, 1982-1984.

Receiving the **International Cooperation of the Government of Japan Award in conjunction with the UNDP of UNESCO**, awarded to undertake an intensive training course of *audio-visual media production*, Sony International Training Centre, Tokyo, Japan, 1980.

## **RESEARCH EXPERIENCES & RESEARCH COLLABORATIONS**

■ *Optimising existing policies and services to support culturally and linguistically diverse communities with health behaviours in the first 2000 days.* Current research project being developed to explore the existing policies and strategies/programs that address healthy growth in the first 2000 days among culturally and linguistically diverse communities, and understanding how cultural competency is addressed in existing maternal and child health services, in collaboration with researchers at The University of Sydney, applied for the MRFF grant, 2021.

*Breast cancer: Health literacy, health belief and breast cancer prevention through technology for health among Thai Muslim women in southern Thailand.* Current research project being developed with Dusanee Suwankhong et al. (Thaksin University, Thailand), to be applied for Thailand Research Fund, 2021.

*Migrant and refugee youths' sexual and reproductive health before, during and after COVID-19: Ensuring uptake and effectiveness of existing presentation services and supports in NSW.* Current research project led by Tinashe She (WSU), applied for New South Wales Department of Health, The Covid-19 Research Grants Program, 2020.

*Exploration of health and lifestyle concerns and issues related to pregnancy, childbirth and child-rearing of teenage mothers in Japan: A qualitative research.* Current research project in collaboration with Ayako Kohno, Takeo Nakayama & Ritei Uehara, Faculty of Public Health, Kuoto University, Japan, 2020-2022.

*Migrant and refugee youths' sexual and reproductive health and rights.* Current research project in collaboration with Tinashe Dune (WSU), Elias Mpofu, Virginia Mapedzahama & Syeda Hossain (University of Sydney), applied for ARC Discovery 2019, succesful.

*Does early initiation of homemade yogurt supplementation prevent stunting – a pilot randomized controlled trial.* Current research project in collaboration with Dafna Merom, Kingsley Agho & Kaniz Jannat (School of Health Sciences), and Mahbubur Rahman (University of Dhaka), received funding from Nestle Foundation/Nutricia Research Foundation, 2019-2020 (I am responsible for the qualitative part of the project).

*Shared decision-making and self-care management (SECRET) study: An ethnographic research of diabetes type 2 Malay patients, caregivers and healthcare providers to develop better understanding on SECRET, adherence to treatment and quality of their life (QoL).* Current research project in collaboration with Rosediani Binti Muhamad et al., University of Sains Malaysia, Malaysia, applied for Fundamental Grant from the Ministry of Higher Education, Malaysia (MOHE), 2018.

*Health literacy and health beliefs for breast cancer prevention through social media technology among Thai women in multicultural communities in southern Thailand.* Current research project in collaboration with Dusanee Suwankhong (Thaksin University), Sasidhon Thanapob and Premrudee Noonsang, Walailak University, applied for funding from the Health Systems Research Institute, Thailand, 2018.

*How do women cope with pelvic girdle pain during pregnancy?* Current research project in collaboration with Dragana Cepnja, Lucy Chipchase and Amitabh Gupta, applied for The Research and Education Network (REN) of the Western Sydney Local Health District (WSLHD) funding, 2018.

*Understanding sexuality and sexual dysfunction after breast cancer: Experience from patients, husbands, and health care providers in Penang and Kelantan, Malaysia.* Current research project in collaboration with Professor Rosediani Binti Muhamad et al., University of Sains Malaysia, Malaysia, applied for USM Research University (Individual) Grant Application, 2017.

*Training in comprehensive sexuality education approach for Indonesian primary and secondary school teachers and youth workers.* Current research project in collaboration with Brahmaputra Marjadi, School of Medicine and others, applied for the Australia Alumni Grant Scheme 2017 Round 1, 2017, data has been collected.

*Crossing the line: Lived experience of sexual violence among transwomen from culturally and linguistically diverse (CALD) backgrounds in Australia.* Current research project in collaboration with School of Science & Health (Tinashe Dune), School of Medicine (Janette Perz, Jane Ussher & Bramh Marjadi), School of Nursing & Midwifery (Virginia Schmied) (WSU), and Gender Centre Inc (Eloise Brook), applied for ANROWS (Australia's National Research for Women's Safety to Reduce Violence Against Women & Their Children) research grant, 2017, received funding in 2018.

*Strengthening early intervention pathways and service response to address violence against CALD women in the perinatal period.* Current research project in collaboration with School of Nursing & Midwifery (Virginia Schmied, Hannah Dehlen & Oyayide Ogunsiji) and School of Medicine (Janette Perz & Jane Ussher), applied for ANROWS (Australia's National Research for Women's Safety to Reduce Violence Against Women & Their Children) research grant, 2017, unsuccessful.

*West side story: Fertility control supports for CALD youth in Western Sydney.* Current research project in collaboration with the University of Sydney (Elias Mpofu, Zakia Hossian & Rachel

Skinner) & Western Sydney University (Tinashe Dune), applied for ARC Discovery, 2017, unsuccessful.

*Using patient experiences to respond to complex treatment needs of CALD communities living in South West Sydney.* Current project in collaboration with Bernadette Brady (SWSLHD – Liverpool Hospital), Lucy Chipchase (SSH, WSU) & Sara Dennis (University of Sydney) applied for South West Sydney Research Small Grant Scheme, 2017.

*Living with breast cancer: CALD women in Western Sydney.* Current research project in collaboration with the University of Sydney, to be applied for Cancer Council of New South Wales, 2017.

*Impact of multilingual health information on CALD older people's health literacy: Osteoporosis as an example.* A current research project in collaboration with School of Humanities and Communication Arts, WSU, School of Languages and Cultures, USyd), and Department of Marketing, Deakin University, 2017.

*Health literacy in CALD communities: Towards more impact of disseminated health information in non-English speaking communities.* A current research project in collaboration with School of Humanities and Communication Arts, WSU, the University of New South Wales, and Deakin University, will be applied to NHMRC, 2017.

*Aboriginal health and wellbeing.* Expressions of Interest for AHSP Accredited Clinical Academic Stream (led by Professor Lisa Pullman Jackson, WSU). We were successful for the EOI round and have applied for a full application, successful for a full accreditation, 2016, successful grant for 2017-2018, \$133,331.00.

*Maternal, newborn and women's health.* Expressions of Interest for AHSP Accredited Clinical Academic Stream (led by Professor Caroline Homer, UTS). We were successful for the EOI round and have applied for a full application, successful for a full accreditation, 2016, successful grant for 2017-2018, \$126,414.00.

*Stemming the tide: Better health outcome in diabetes, obesity and metabolic disease.* Expressions of Interest for AHSP Accredited Clinical Academic Stream (led by Professor David Simmons, WSU). We were successful for the EOI round and have applied for a full application, successful for a full accreditation, 2016, successful grant for 2017-2018, \$132,800.00.

*Living a transgender life: Sexual and reproductive health of transgender individuals from CALD backgrounds in Sydney and Melbourne.* A current research project being developed with several researchers from across faculties, universities and community groups. A current research project being developed at the School of Science and Health, Western Sydney University, 2016-2017.

*Training competition and lived experience of muay Thai boxers in Thailand.* A current research project being developed in collaboration with Dusanee Suwankhong and Chamnan Chinsri, School of Public Health & Sports Science, Thaksin University, applied for Thailand Research Fund, received funding in 2016.

*LGBTIQ Migrant health and wellbeing.* A current research project being developed in collaboration with Tinashe Dune, School of Science & Health, Western Sydney University, received ECR Research Seed funding from the SSH, 2016.

*Experiences of CALD parents in NICU in South Western Sydney.* A current research project being developed in collaboration with Virginia Schmied (WSU) and Shanti Raman (South Western Sydney Local Health District) for a capacity building research sponsored by South West Sydney Research small grant, 2016.

*Experiencing parenthood and migration: A mixed methods study of first-time parenthood amongst Indian migrant women and men in Australia.* A research project being developed in collaboration with Virginia Schmied, Hannah, and Stephen Matthey (University of Western Sydney), applied for ARC Discovery grant, 2015, 2016, unsuccessful.

*Digital technologies and community wellbeing: An exploration of digital use for antenatal care.* A current research project being developed in collaboration with Alpha Possamai-Inesedy & Kate Hibbard (School of Social Sciences and Psychology), Virginia Schmied (School of Nursing & Midwifery). Applied for the SSAP's research funding to start off; aim to apply for ARC Linkage in 2017.

*Understanding the conceptual mind of Malaysian parents in perceiving the marketing of breastmilk substitutes.* A collaborative research being developed with Zaharah Sulaiman, Universiti of San Malaysia, Malaysia, applied for funding from the Foreign Research Grant Scheme, Malaysia, 2016.

*Breast cancer: Health beliefs and prevention among Muslim and Buddhist women in southern communities of Thailand.* A current research project being developed in collaboration with Dusanee Suwankhong (Thaksin University, Thailand), applied for funding from the International Collaboration Research Grant, Thaksin University, Thailand, 2016.

*Breast cancer: Meanings and experiences among Thai-Muslim women in southern Thailand.* A current research project being developed in collaboration with Dusanee Suwankhong, Thaksin University, applied for the International Collaboration Research Grant, Thaksin University, Thailand, 2016.

*Promoting contraceptive practices to prevent repeated pregnancy among adolescent mothers: A model development.* A current research project being developed in collaboration with Punpilai Sriaporn, Faculty of Nursing, Chiang Mai University, applied for Chiang Mai University research grant, for 2015-2017.

*Sexuality and breastfeeding: The lived experiences of northern Thai women.* A current research project being developed in collaboration with Susanha Yimyam, Chiang Mai University, applied for the Faculty of Nursing's Research Excellent Centre grant, Chiang Mai University, Thailand, for 2015-2017.

*Preparation for the culturally sensitive prevention of teenage pregnancy programs among women in southern Thailand: Community-based participatory research.* A current research project being developed in collaboration with Warankana Chachawes, Faculty of Nursing, Prince of Songkla University, Thailand, received funding from the Health Promotion Foundation of Thailand for 2014-2016.

*Motherhood and infant feeding practices: The lived experience of HIV-positive women in Southern Thailand.* A current research project being developed in collaboration with Dusanee Suwankhong, Thaksin University, Thailand, received funding from the Thailand Research Fund (TRF), for 2014-2016; data collection continues.

*Breast cancer: Meanings and experiences of women in Northern Thailand.* A current research project being developed with Uttraradit College of Nursing, Thailand. Received funding from the College's research grant, 2015.

*The perceptions, experiences and practices of induced lactation in Malaysia.* A current research project being developed with Zaharah Sulaiman, University of Sans Malaysia, Malaysia, applied for USM's research grant, 2015.

*Breast cancer: Meanings and experiences among Thai women in Northeastern Thailand (Isan).* A research project in collaboration with Phensiri Damrongkitikorn, Nakhon Phanom University. It was funded by Nakhon Phanom University research grant, Thailand, 2014.

*An application of purpose in life and self-sufficient economy philosophy in enhancing holistic health promotion of Thai adolescent.* A current research project being developed in collaboration with Quantar Balhip, Usanee Petchruschatachart & Siriwan Piriyakoonorn, Prince of Songkla University, applied for the National Research Council of Thailand, received funding for 2013-2014.

*Maternal and child health among forced migrant women in Thailand.* A current research project being developed in collaboration with Niphatra Haritavorn, Thammasat University, Thailand, applied for Thammasat University Research Grant, 2013, received funding in 2013.

*Breast cancer: Meanings and experiences among Thai women in southern Thailand and Australia.* A research project developed in collaboration with Dusanee Suwankhong, Thaksin University. It was funded by the International Collaboration Research Grant, Thaksin University, Thailand, 2012.

*Community-based research on ethical risk communication for HIV vaccine trials.* A research project developed in collaboration with Cynthia Jardine (University of Alberta, Canada), Michelle Driedger (University of Manitoba, Canada) and others, applied for funding from Canadian Institutes of Health Research, HIV/AIDS Vaccine Discovery and Social Research – LOI, received funding in 2011 to allow us to develop a full application in 2011, requested CAD\$4.5 millions but unsuccessful in 2011.

*Mobile phone peer and community support project.* A research project conducted in collaboration with Rae Walker, Lee Koh and Dennis Wollersheim, received funding from the Jack Brockhoff Foundation, 2011.

*The perceptions and experiences of vaccine trials, HIV risk and motherhood among female injecting drug users in Thailand.* Received funding from the Faculty of Health Sciences Collaboration Grant, 2011.

*Motherhood and the discourse of responsibility: Infant feeding practices among women in northern Thailand* (Faculty Collaboration Grant). Received funding from the Faculty of Health Sciences Collaboration Grant, 2010-2011.

*Overcoming social isolation and disadvantage among refugee women through mobile phone peer support.* A research project conducted in collaboration with Rae Walker and Dennis Wollersheim, received funding from VicHealth Innovative Grant, 2010-2012.

*Formative evaluation of health education resource for Vietnamese women with gestational diabetes.* A research project conducted in collaboration with Sansnee Jirojwong, Virginia Schmied, & Sharon Hillege (University of Western Sydney).

*Parenting among Cambodian immigrant women living in Victoria.* A research project conducted in collaboration with Liz Hoban, received funding from the Faculty of Health Sciences Research Grant, 2010.

*Increasing health literacy among Vietnamese women with gestational diabetes.* A research project conducted in collaboration with Sansnee Jirojwong, Virginia Schmied and Sharon Hillege, University of Western Sydney, received funding from the Chronic Disease Self-Management/Lifestyle and Risk Modification Grants, Department of Health and Ageing, 2009-2010.

*The meaning and experience of motherhood and infant feeding practices among women living with HIV/AIDS in central Thailand.* Received funding from the Faculty of Health Sciences Collaboration Grant, 2009.

*Using wii games as a method of intervention to improve social health of older people with chronic illnesses and diseases.* A research project conducted in collaboration with Dennis Wollersheim, Monika Merkes, Nora Shields and Lara Wallis, received funding from the Faculty of Health Sciences Collaboration Grant, 2009.

*Online dating and risk amongst young online users: Implications for sexual health promotion and public health intervention.* A research project being conducted in collaboration with Marian Pitts, Australian Research Centre in Health, Sex and Society, received funding from the Faculty of Health Sciences Collaboration Grant, 2008.

*Immigration and parenting among Cambodian and Iraqi women in Australia.* A research project being conducted in collaboration with the Social Sciences and Health Research Centre, Monash University (Lenore Manderson), received funding from ARC Discovery, 2008-2010, extended to 2011.

*HIV/AIDS vaccine, drug trials and women living with HIV/AIDS in Thailand.* A research project conducted in Collaboration with the Faculty of Pharmaceutical Sciences, Chulalongkorn University, Bangkok, Thailand, received funding from the Faculty of Health Sciences Collaboration Grant, 2007.

*Motherhood and “moral career”: Discourses of good motherhood and embodied experience among “Afghan” immigrant women in Australia,* received funding from the Faculty of Health Sciences Research Grant, 2003.

*The social construction of childrearing and infant feeding practices in Northern Thailand.* A research project conducted in Chiang Mai as part of OSP program in 2003, in collaboration with the Faculty of Nursing, Chiang Mai University, Thailand, with Susanha Yimyam, Sukanya Parisunyajul and Chavee Baosoung, received funding through OSP support, 2003.

*The experience of childbearing and motherhood among Thai women in Northern Thailand.* A research project conducted in Chiang Mai as part of OSP program in 1999, in collaboration with the Faculty of Nursing, Chiang Mai University, Thailand, 1999-2000, with Susanha Yimyam, Sukanya Parisunyajul and Chavee Baosoung, received funding through OSP support, 1999.

*Women's knowledge and attitudes about prenatal diagnostic testing for birth defects.* A research project conducted in collaboration with the Murdoch Institute, Royal Children's Hospital (Jane Halliday), Department of Perinatal Medicine, Royal Women's Hospital (Robin Bell) and Centre for the Study of Mothers' and Children's Health, La Trobe University (Lyn Watson), received funding for 1997-1999.

*Childbirth and the health of women from Southeast Asia (Cambodian, Lao, and Vietnamese women).* A research project conducted in collaboration with the Centre for the Study of Mothers' and Children's Health, La Trobe University, received funding from the NH&MRC for 1996-1999, with Lyn Watson.

*Childbearing, childrearing and motherhood: The case of Thai women in Melbourne.* A research project conducted at the Centre for the Study of Mothers', 1995-1996, with Charin Naksook.

*Hmong women and reproduction.* A research project conducted at the Centre for the Study of Mothers' and Children's Health and the School of Public Health, 1993-1998.

*Mothers in a new country project - Experiences of pregnancy, birth and early mothering: home interview with Vietnamese, Turkish and Filipino women.* A research project conducted in collaboration with the Centre for the Study of Mothers' and Children's Health (Rhonda Small, Jane Yelland, and Judith Lumley), received funding from the NH&MRC and Victorian Health Promotion Foundation for 1993-1997.

*Childbearing and Cambodian women in site 2 Khmer refugee camp in Thailand.* A research project conducted jointly with the Catholic Office for Emergency Relief of Refugee, with Kimberley Townsend, a Mental Health Co-ordinator, 1993.

*Childbearing experiences of non-English speaking background women: Cross-cultural resource book for health workers in birthing services.* A research project conducted for the Vietnamese Antenatal/Postnatal Support Project, a joint project of Mercy Hospital for Women, North Richmond, Fitzroy and Collingwood Community Health Centres and funded by the Commonwealth Birthing Services Initiative, received funding in 1993.

*Mental health issues of people from non-English speaking background communities: a community consultation project.* A research project conducted for the Victorian Transcultural Psychiatry Unit, 1992.

*Culture, society, mental health and help seeking strategies among Lao immigrants: Implications for health education and health services in Victoria.* A research project conducted in conjunction with the Centre for the Study of Comparative and International Education, La Trobe University, with Vin D'Cruz, received funding in 1992.

*Religion, culture and notion of health and health education: a comparative study on concepts of health and sickness between Muslim and Buddhist schoolchildren - An Australian study.* A research project conducted in conjunction with the Centre for the Study of Comparative and International Education, La Trobe University, with Vin D'Cruz, received funding in 1992.

*Perceptions of mental illness and treatment among Vietnamese immigrants.* A research project conducted at the Victorian Transcultural Psychiatry Unit, Health Department Victoria, received funding in 1991.

*Religion, culture and notion of health and health education: a comparative study on concepts of health and sickness between Muslim and Buddhist schoolchildren - A Victorian study.* A joint project with the Centre for the Study of Comparative and International Education, La Trobe University, with Vin D'Cruz, received funding in 1991.

*Perceptions of health and illness in Cambodian schoolchildren: towards a more effective health education in Victorian school.* A joint research project with the Centre for the Study of Comparative and International Education, La Trobe University, with Vin D'Cruz, received funding for 1990-1991.

*Conceptions of teaching in higher education.* Centre for the Study of Higher Education, Department of Educational Development and Evaluation, The University of Melbourne (with Gloria D'Alba), 1989.

*Health beliefs and practices in Cambodian refugee community.* Refugee Research Project, Transcultural Health Unit, Department of Child and Family Psychiatry, Royal Children's Hospital (with Maurice Eisenbruch), Melbourne, 1988-1989.

*Health and sickness: the influence of Thai cultural knowledge and commonsense interpretations among Thai schoolchildren.* Submitted for the degree of Doctor of Philosophy at the Faculty of Education, Monash University, Australia, 1988.

*Student conceptual framework for learning about their environment.* Part-time research assistant to Professor Peter Fensham, Faculty of Education, Monash University, 1984 and 1985.

*A comparative study on achievement in learning science from the system approach centre among Thai schoolchildren.* Submitted for the degree of Master of Education at the School of Graduation, Sri Nakharinwirot University, Thailand, 1977.

## **RESEARCH & OTHER GRANTS**

\$299,000.00	Funding from the Australian Research Council Discovery Grant for the project <i>Migrant and refugee youths' sexual and reproductive health and rights</i> , with Tinashe Dune (WSU), Elias Mpofu, Virginia Mapedzahama & Syeda Hossain (University of Sydney), 2020-2022.
\$274,910.00	Funding from ANROWS (the Australia's National Research for Women's Safety to Reduce Violence Against Women & Their Children) research grant, for the project <i>Crossing the line: Lived experience of sexual violence among transwomen from culturally and linguistically diverse (CALD) backgrounds in Australia</i> , with Tinashe Dune (School of Science & Health), Janette Perz, Jane Ussher Bramh Marjadi (School of Medicine), Virginia Schmied (School of Nursing & Midwifery (WSU), and Gender Centre Inc (Eloise Brook), 2017-2020.
US\$80,000.00	<i>The effect of home-made yogurt on infant growth in Bangladesh</i> , with Dafna Merom, Kingsley Agho & Kaniz Jannat (School of Health Sciences), Mahbubur Rahman (University of Dhaka), received funding from Nestle Foundation/Nutricia Research Foundation, 2019-2020.

\$5,000.00	Funding from the White Paper Funding Scheme - Health and Wellbeing Research Theme, for the project <i>Women's health across the reproductive and sexual lifespan: an interdisciplinary approach</i> , with Kate McBride et al., 2018-2019.
MR81,769.00	Funding from USM Research University (Individual) Grant Application for the project <i>Understanding sexuality and sexual dysfunction after breast cancer: Experience from patients, husbands, and health care providers in Penang and Kelantan, Malaysia</i> , with Rosediani Binti Muhamad et al. (Faculty of Medicine, University of Sains Malaysia) and Wah Yun Low (Faculty of Medicine, Universiti Malaya), Malaysia, 2018-2020.
\$20,000.00	Funding from the South West Sydney Research Small Grant Scheme, for the project <i>Using patient experiences to respond to complex treatment needs of CALD communities living in South West Sydney</i> , with Bernadette Brady (SWSLHD – Liverpool Hospital), Lucy Chipchase (SSH, WSU) & Sara Dennis (University of Sydney), 2017-2018.
\$4,930.00	Funding from the White Paper Funding Scheme - Health and Wellbeing Research Theme, for the project <i>Pathways to resilience and well-being: Tackling maternal anxiety in the perinatal period</i> , with Virginia Schmied et al., 2017-2018.
\$133,331.00	Funding from AHSP Accredited Clinical Academic Stream, for the project <i>Aboriginal health and wellbeing</i> , led by Professor Lisa Pullman Jackson, WSU, for 2017-2018.
\$126,414.00	Funding from AHSP Accredited Clinical Academic Stream, for the project <i>Maternal, newborn and women's health</i> , led by Professor Caroline Homer, UTS, for 2017-2018.
\$132,800.00	Funding from ASSP Accredited Clinical Academic Stream, for the project <i>Stemming the tide: Better health outcome in diabetes, obesity and metabolic disease</i> , led by Professor David Simmons, WSU, for 2017-2018.
THBaht 250,000.00	Funding from Thailand Research Fund, for the project <i>Training competition and lived experience of muay Thai boxers in Thailand</i> , in collaboration with Dusanee Suwankhong and Chamnan Chinsri, School of Public Health & Sports Science, Thaksin University, 2016-2017.
\$40,000.00	Funding from the School of Science & Health's Research Start-Up fund, for the project <i>Living a transgender life: Sexual and reproductive health of transgender individuals from CALD backgrounds in Sydney and Melbourne</i> , 2016-2017
\$3,995.00	Funding from the School of Science & Health's ECR Research Seed funding, for the project <i>LGBTIQ Migrant health and wellbeing: A systematic literature review</i> , with Tinashe Dune, 2016.

\$5,000.00	Funding from the School of Social Sciences and Psychology research fund, for the project <i>Digital technologies and community wellbeing: An exploration of digital use for antenatal care</i> , with Alpha Possamai-Inesedy & Kate Hibbard (School of Social Sciences and Psychology), & Virginia Schmied (School of Nursing & Midwifery), 2016.
THBaht 520,000.00	Funding from Chiang Mai University, for the project <i>Promoting contraceptive practices to prevent repeated pregnancy among adolescent mothers: A model development</i> , with Punpilai Sriaporn, Faculty of Nursing, Chiang Mai University, Thailand, 2015-2017.
THBaht 300,000.00	Funding from the Faculty of Nursing's Research Excellent Centre grant, Chiang Mai University, Thailand, for the project <i>Sexuality and breastfeeding: The lived experiences of northern Thai women</i> , with Susanha Yimyam, Faculty of Nursing, Chiang Mai University, Thailand, 2015-2017.
THBaht 200,00.00	Funding from Uttraradit College of Nursing research grant, for the project <i>Breast cancer: Meanings and experiences among Northern Thai women</i> , with Sasithorn, Uttraradit College of Nursing, Thailand, 2014-2015.
THBaht 2,368,700.00	Funding from the Health Promotion Foundation of Thailand, for the project <i>Preparation for the culturally sensitive prevention of teenage pregnancy programs among women in southern Thailand: Community-based participatory research</i> , with Warankana Chachawes, Faculty of Nursing, Prince of Songkla University, Thailand, 2014-2015.
THBaht 480,000.00	Funding from Thailand Research Fund, for the project <i>Motherhood and infant feeding practices: The lived experience of HIV-positive women in Southern Thailand</i> , with Dusanee Suwankhong, Thaksin University, Thailand, 2014-2015.
\$29,924.00	Funding from RFA – Healthy Motherhood, for the project <i>Increasing breastfeeding duration by identifying environmental barriers to breastfeeding</i> , with Meabh Cullinane, Lisa Amir, Julie Rudner & Katherine McKinnon, 2014.
THBaht 200,00.00	Funding from Nakhon Phanom University research grant, for the project <i>Breast cancer: Meanings and experiences among Thai women in Northeastern Thailand (Isan)</i> , with Phensiri Dumrongpanapakorn, 2014.
THBaht 483,700.00	Funding from the National Research Council of Thailand, for the project <i>An application of purpose in life and self-sufficient economy philosophy in enhancing holistic health promotion of Thai adolescent</i> , with Quantar Balhip, Usanee Petchruschatachart & Siriwan Piriyakoonorn, Prince of Songkla University, 2013-2014.
\$2,165.00	Funding from Faculty of Health, Deakin University, for the submission and publication of a paper "Fathering in isolation: the experiences of migrant Cambodian fathers in Australia", Evan O'Grady, Elizabeth Hoban

& Pranee Liangputtong, *BMC Family Practice* (impact factor = 1.8), 2013.

THBaht 292,120.00	Funding from Thammasat University Research Grant, for the study <i>Maternal and child health among forced-migrant women in Thailand</i> , with Niphattra Haritavorn, Faculty of Public Health, Thammasat University, Thailand, 2013-2014.
THBaht 378,000.00	Funding from Thaksin University International Collaboration Research Grant, for the study <i>Breast cancer: Meanings and experiences among Thai women in southern Thailand and Australia</i> , with Dusanee Suwankhong, Thaksin University, Thailand, 2012-2013.
CAD\$25,000.00	Funding from Canadian Institutes of Health Research, HIV/AIDS Vaccine Discovery and Social Research – LOI, for the study <i>Community-based research on ethical risk communication for HIV vaccine trials</i> , with Cynthia Jardine, Michelle Driedger and others, 2011.
\$19,998.00	Funding from the Faculty of Health Sciences Collaboration Grant, for the study <i>Perceptions and experiences of vaccine trials, HIV risk and motherhood among female injecting drug users in Thailand</i> , 2011.
\$10,000.00	Funding from the Jack Brockhoff Foundation, for the study <i>Mobile phone peer and community support project for refugee youth</i> , with Rae Walker, Lee Koh and Dennis Wollersheim. 2011.
\$3,000.00	Funding from the Faculty of Health Sciences Publication Support Grant, with Tanya Serry and Miranda Rose, 2011.
\$15,000.00	Funding from the Faculty of Health Sciences Research Grant, for the study <i>Motherhood and the discourse of responsibility: Infant feeding practices among women in northern Thailand</i> , 2010-2011.
\$10,000.00	Funding from La Trobe University eResearch Grant, for the study <i>Multimedia based peer leadership support for young refugee women</i> , with Dennis Wollersheim, Rae Walker & Lee Koh, 2010-2011.
\$4,000.00	Funding from the Victorian Multicultural Commission Community Grant, for the study: <i>Constant Connections: Refugee women's mobile phone based peer support</i> , with Rae Walker, Dennis Wollersheim & Lee Koh, 2010-2011.
\$199,744.00	Funding from VicHealth Innovative Grant, for the study: <i>Overcoming social isolation and disadvantage among refugee women through mobile phone peer support</i> , with Rae Walker & Dennis Wollersheim, 2010-2012.
\$9,900.00	Funding from the Faculty of Health Sciences Research Grant, La Trobe University, for the study: <i>Parenting among Cambodian refugee women living in Victoria</i> , with Liz Hoban, 2010.
\$93,368.00	Funding from the Chronic Disease Self-Management/Lifestyle and Risk Modification Grants, Department of Health and Ageing, for the study:

*Increasing health literacy among Vietnamese refugee women with gestational diabetes*, with Sansnee Jirojwong, Virginia Schmied & Sharon Hillege, University of Western Sydney, 2009-2010.

\$15,000.00	Funding from the Faculty of Health Sciences Collaboration Grant, La Trobe University, for the study: <i>The meaning and experience of motherhood and infant feeding practices among women living with HIV/AIDS in Central Thailand</i> , 2009.
\$11,426.00	Funding from the Faculty of Health Sciences Collaboration Grant, La Trobe University, for the study: <i>A pilot study to investigate if wii video game use can improve the health and wellbeing of middle and older age women</i> , with Dennis Wollersheim, Monika Merkes, Fay Reynolds, Nora Shields & Lara Wallis, 2009.
\$392,000.00	Funding from the Australian Research Council Discovery Grant, for the study: <i>Immigration and parenting among Cambodian and Iraqi refugee women</i> , with Lenore Manderson and Liz Hoban, 2008-2010.
\$19,782.00	Funding from the Faculty of Health Sciences Collaboration Grant, La Trobe University, for the study: <i>Online dating and risk amongst young online users: Implications for sexual health promotion and public health intervention</i> , with Marian Pitts, 2008.
US\$1381.00	Subsidy for the publication of the book – <i>The journey of becoming a mother amongst women in northern Thailand</i> , which was published by Lexington Books in 2007, from the La Trobe University Publications Committee, 2007.
\$18,992.00	Funding from the Faculty of Health Sciences Collaboration Grant, La Trobe University, for the study: <i>HIV/AIDS vaccine clinical trials and women living with HIV/AIDS in Thailand</i> , 2007.
\$10,000.00	ARC near miss funding from the Central Large Grant Scheme, La Trobe University, for re-developing the research project <i>Motherhood and moral career: The Lived experiences of motherhood among immigrant women in Australia</i> , 2004.
\$10,000.00	Funding from the Faculty of Health Sciences Research Grant, La Trobe University, for the study: <i>Motherhood and “moral career”: Discourses of good motherhood and embodied experience among “Afghan” refugee women in Australia</i> , 2003.
\$130,000.00	Funding from the Victorian Health Promotion Foundation Public Health, for the study: <i>Women's knowledge and attitudes about prenatal testing for birth defects</i> , with Jane Halliday, Robin Bell & Lyn Watson, 1997- 1998.
\$250,000.00	Funding from Public Health Research and Development Council and Victorian Health Promotion Foundation, for the study: <i>Childbearing, childrearing and reproductive health: cultural beliefs and practices and the impact of social change among Southeast Asian refugee women in</i>

*Australia*, with Lyn Watson, 1996-1998.

\$316,196.00	Funding from Public Health Research and Development Council (\$111,946.00), Victorian Health Promotion Foundation Public Health (\$198,250.00), and Faculty of Health Sciences (\$6,000.00), for the study: <i>Experiences of pregnancy, birth and early mothering: home interview with Vietnamese, Turkish and Filipino women</i> , with Rhonda Small, Jane Yelland & Judith Lumley, 1993-1997.
\$10,000.00	Funding from the Vietnamese Antenatal/Postnatal Support Project to conduct a research project and produce a <i>cross-cultural resource book for health workers in birthing services</i> , 1993.
\$4,900.00	Funding from the Research Committee of the School of Education, La Trobe University, for the study: <i>Culture, society, mental health and help seeking strategies among Lao refugees: implications for health education and health services in Victoria</i> , with Vin D'Cruz, La Trobe University, 1992.
\$11,000.00	Funding from the Australian Research Council Small Grant, for the study: <i>Religion, culture and notion of health and health education: a comparative study on concepts of health and sickness between Muslim and Buddhist schoolchildren - An Australian study</i> , with Vin D'Cruz, La Trobe University, 1992.
\$7,900.00	Funding from the Research Committee of the School of Education, La Trobe University for the study: <i>Religion, culture and notion of health and health education: a comparative study on concepts of health and sickness between Muslim and Buddhist schoolchildren – A Victorian study</i> , with Vin D'Cruz, La Trobe University, 1991.
\$4,900.00	Funding from the Research Committee of the School of Education, La Trobe University for the study: <i>Perceptions of health and illness in Cambodian refugee schoolchildren: A follow-up study towards a more effective health education in Victorian schools</i> , with Vin D'Cruz, La Trobe University, 1990.
\$5,600.00	Funding from the Research Committee of the School of Education, La Trobe University for the study: <i>Perceptions of health and illness in Cambodian refugee schoolchildren: towards a more effective health education in Victorian schools</i> , with Vin D'Cruz, 1989.

## **RESEARCH STUDENTS UNDER SUPERVISION**

### **PHD STUDENTS**

1. Lafi Munira *Effects of spiritual parenting and relationship kindness (spark) program for mother-caregivers of depressed-adolescence on communication and relationship in Yogyakarta City, Indonesia: A mixed method research*. College of Public Health Sciences, Chulalongkorn University, Thailand, 2021-present.

2. Michaels Aibangbee *Migrant and refugee youths' sexual and reproductive health and rights*. School of Health Sciences, Western Sydney University, 2020-present.
3. Rubab Firdaus *Disabled women's access, utilisation and experiences of sexual and reproductive health care in Australia*. School of Science and Health, Western Sydney University, 2018-present.
4. Jack Thepsourinthone *It's a man's world: An investigation of masculinity and internalised homophobia amongst homosexual men*. School of Science and Health, Western Sydney University, 2018-present.
5. Reima Mansour *Food security among Libyan refugee families in Western Sydney*. School of Science and Health, Western Sydney University, 2018-present.
6. Lalitha Rajagopal *Living with breast cancer: Lived experiences and social support among Indian women living in Western Sydney*. School of Science and Health, Western Sydney University, 2017-present.
7. Dragana Cepnja *An investigation of how women feel pelvic girdle pain experienced during pregnancy impacts their functional activities: A qualitative study*. Physiotherapy, School of Science and Health, Western Sydney University, 2017-present.
8. Michael O'Dwyer *Familial and peer modifiers of sexual risk-taking among adolescents in Greater Western Sydney*. School of Science and Health, Western Sydney University, 2016-present.
9. Rachel Lennon *Stigma and the lived experience of female street sex workers in Melbourne, Australia*. School of Health Sciences, Western Sydney University (part-time), 2009-2021.
10. Maxine Te *Cultural responsiveness of new graduate physiotherapists*. Physiotherapy, School of Science and Health, Western Sydney University, 2018-2020.
11. Jen Hocking *Lactation consultants and their roles on breastfeeding in Australia*. Department of Public Health, School of Psychology & Public Health, College of Science, Health & Engineering, La Trobe University & School of Science & Health, Western Sydney University (full-time & with scholarship), 2014-2021.
12. Alice Wilkin *Through our eyes: Aboriginal employment retention through photovoice*. Department of Public Health, School of Psychology & Public Health, College of Science, Health & Engineering, La Trobe University & School of Science & Health, Western Sydney University (part-time), 2011-2019.
13. Titaree Phanwichatkul *Maternal health care among Burmese migrant workers in southern Thailand*. School of Nursing and Midwifery, University of Western Sydney, 2014-2018.
14. Pattaraporn Moolchaem *Sexuality, identity, health and well-being: The lived experience of transgender individuals from immigrant and refugee backgrounds*. Department of Public Health, School of Psychology & Public Health, College of Science, Health & Engineering, La Trobe University & School of Science & Health, Western Sydney University (full-time), 2013-2017.

15. June Mabel Joseph *Infant feeding practices and refugee women from Myanmar*. Co-supervision for the Faculty of Medicine, University of Queensland, 2014-2018.
16. Laura Biggs *An evaluation of the PANDA post and antenatal depression association national helpline: Focus group findings*. Co-supervision for Mother and Child Health Research Centre, Department of Nursing and Midwifery, College of Science, Health & Engineering, La Trobe University, 2015-2018.
17. Rosediani Muhammad *Exploring perceptions, prevalence, predictors, experiences and health impact of sexual dysfunction among women who attending primary care clinics in West Malaysia*. Department of Public Health, School of Psychology & Public Health, College of Science, Health & Engineering, La Trobe University (full-time & with scholarship), 2012-2016.
18. Pauline Wong *Family experiences of their interactions within an Australian intensive care unit (ICU) environment*. Department of Public Health, School of Psychology & Public Health, College of Science, Health & Engineering, La Trobe University (part-time), 2010-2016.
19. Jessica Gill *Living with Asperger's syndrome: The lived experiences of children living with Asperger's syndrome, their parents and siblings*. Department of Public Health, School of Psychology & Public Health, College of Science, Health & Engineering, La Trobe University (full-time & with scholarship), 2010-2016.
20. Riham Abdulla *Building bridges: Cross-cultural perceptions on the involvement of Arabic-speaking parents in their children's school-based speech pathology services in multicultural Australia*. [School of Human Communication Sciences](#), La Trobe University (part-time), 2011-2016.
21. Thu Huong Bui *Locating pleasure: Narratives of women's intimate experiences in the quest for sexual well-being in contemporary Vietnam*. Australian Research Centre in Sex, Health & Society & School of Public Health (full-time), 2014-2015.
22. Zaharah Sulaiman *Breastfeeding experiences and decision making in infant feeding choices among working women in major cities, Malaysia*. School of Public Health, La Trobe University (full-time & with scholarship), 2009-2013.
23. Mimmie Claudine Ngum Chi *Contraception, teenage pregnancy and motherhood among African Australian teenagers with a refugee background in Melbourne, Australia*. School of Public Health, La Trobe University (full-time), 2012-2013.
24. Mellisa Buultjens *The transition to parenthood: A multi-facet programme for women (and partners) expecting their first child*. School of Public Health, La Trobe University (part-time), 2005-2012.
25. Dusanee Suwankhong *The role of traditional healers in the Thai health care system in the South of Thailand*. School of Public Health, La Trobe University (full-time & with scholarship), 2007-2012.
26. Tanya Serry *Supplementary reading support for young low-progress readers at school: Integrating perspectives about experiences and practices from service providers and parents*

*in an Australian context*. School of Public Health and School of Human Communication Sciences, La Trobe University (full-time & with scholarship), 2006-2010.

27. Michelle Ann Kealy *Caesarean section – A respond to risk and fear: An Australian study of women's experiences*. School of Public Health, La Trobe University (full-time & with scholarship), 2006-2007.
28. Helen Rawson *Sexual health of young Vietnamese refugee women living in Melbourne*. School of Public Health, La Trobe University (full-time & with scholarship), 2003-2007.
29. Diane Bourne *Another country, another culture: Colombian women in Melbourne. A focus on Sexuality, sexual and reproductive health*. School of Public Health, La Trobe University (full-time), 2001-2006.
30. Araya Sripairoj *Drug and Therapeutics Committee (DTC) performance indicators in Thai hospitals: Developing, evaluating and sustaining*. School of Public Health, La Trobe University, (full-time), a joint supervision with Ken Harvey (full-time & with scholarship), 2002-2005.
31. Virginia Dickson-Swift *Doing research on sensitive topics: What happens to the researchers?*. School of Public Health, La Trobe University (full-time & with scholarship), 2001-2005.
32. Vicki Tsianakas *Women and reproduction: Perceptions and experiences of Afghan refugee women living in Australia*. School of Public Health, La Trobe University (full-time & with scholarship), 2000-2004.
33. Elica Ritevski *Living with a chronic illness: Support services in the voluntary sector*. School of Public Health, La Trobe University (full-time), 1998-2001.

#### **DOCTOR OF PUBLIC HEALTH/PSYCHOLOGICAL SCIENCES & CLINICAL SCIENCE STUDENTS**

1. Filomena Bua *Animal Assisted Crisis Response (AACR): Its relevance for the crisis counselling fields*. Doctor of Clinical Science, School of Public Health, La Trobe University (part-time), 2012-2014.
2. Roy Frank Wyatt *Single session family therapy – Evaluating a child and adolescent mental health service intervention*. School of Psychological Science, La Trobe University (full-time), 2009-2012.
3. Sumitra Devi Shrestha *An exploratory study on perceived quality of life among HIV positive people taking highly active antiretroviral therapy, Nepal*. Doctor of Public Health, School of Public Health, La Trobe University (full-time & with scholarship), 2008-2013.
4. Bonnie Su *Living with Type 2 diabetes among Chinese people in Taiwan*. Doctor of Public Health, School of Public Health, La Trobe University (full-time) 2006-2007.

## MASTER'S STUDENTS BY RESEARCH

1. Nazeh Maskalah *Challenges and barriers experienced by physiotherapist employers of new graduate physiotherapists in private practice: A qualitative study*. Masters of Physiotherapy. School of Science and Health, Western Sydney University (part-time), 2019-2021.
2. Alex Workman *Is domestic violence LGBTI exclusive?* Master of Research, School of Science & Health, Western Sydney University, 2018.
3. Thi Tu An Nguyen *Sexual and reproductive health of people with disabilities in Ho Chi Minh City, Vietnam*. Master of Applied Science, Department of Public Health, School of Psychology & Public Health, College of Science, Health & Engineering, La Trobe University, 2013-2015.
4. Lina Abboud *Childbearing and childrearing among Arabic speaking descent women living in Victoria*. Master of Applied Science, School of Public Health, La Trobe University, 2001-2006.
5. Zevia Schneider *Women's experience of pregnancy in an environment of conflicting discourses about health*. Master of Applied Science, School of Public Health, La Trobe University, 1999-2000.
6. Rosa Alati *Alcohol and drug treatment in Aboriginal communities in Northern Territory*. Master of Applied Science, School of Public Health, La Trobe University, 1997-1999.

## MASTER'S STUDENTS BY COURSEWORK (WITH A THESIS COMPONENT)

1. Sonika Shah *Perceptions, attitudes and experience of menstruation hygiene among South Asian women: A metasyntesis*. Master of Public Health, School of Science and Health, Western Sydney University, 2018.
2. Madhuri S. Chawan *Homeopathy and reproductive and sexual health among Indian immigrants living in Melbourne*. Master of Health Sciences, Department of Public Health, School of Psychology & Public Health, College of Science, Health & Engineering, La Trobe University, 2013-2015.
3. Asuka Sakamoto *Perceptions and experiences of sports injuries and prevention among Japanese children*. Master of Health Sciences, School of Public Health, La Trobe University, 2012-2014.
4. Sandra Benza *Motherhood, childbearing and childrearing among Zimbabwean refugee women in Melbourne*. Master of Public Health, School of Public Health, La Trobe University, 2012-2014.
5. Sylvia Niele. *Attitudes, cultural beliefs, and stigma regarding HIV/AIDS among South African street youth: Implications for prevention and treatment*. Master of Clinical Psychology, School of Psychological Science, La Trobe University, 2012-2013.

6. Evan O'Grady *How does the Australian context impact the parenting of Cambodian refugee fathers?* Master of Health Sciences (full-time), Deakin University, 2011-2012.
7. Julie Lam *Falls in older persons: An exploration of factors impacting on the decision to participate in an exercise program amongst recent fallers.* Master of Public Health/Master of Health Administration (full-time), La Trobe University, 2009-2011.
8. Carolyn Poljski *Understanding male involvement in sexual and reproductive health programs in Thailand and Indochina (Vietnam, Laos, and Cambodia).* Master of Public Health (part-time), La Trobe University, 2003-2008.
9. Yuen Ping Wong *Perceptions and experiences of physical strength amongst older persons in low level accommodations in Melbourne.* Master of Gerontology (full-time), School of Public Health, La Trobe University, 2005-2007.
10. Danielle Couch *Online dating and mating: The use of the Internet to meet sexual partners.* Master of Public Health (full-time), La Trobe University, 2004-2006.
11. Pius Ang *"Out of the circle": Views of international students from mainland China towards the use of university counselling services.* Master of Counselling Psychology (part-time), School of Public Health, La Trobe University, 2002 – 2006.
12. Deborah Simons *Lived experiences of older person with road trauma.* Master of Gerontology (part-time), School of Public Health, La Trobe University, 2001-2004.
13. Ngan Hoa Nguyen *Private matter, public concern: Sexuality and abortion among young people in Ho Chi Minh City, Viet Nam.* Master of Public Health, School of Public Health, La Trobe University, 2002-2003.
14. Moyra Kwan *The older person's experience of discharge from the emergency department of a public hospital.* Master of Gerontology, School of Public Health, La Trobe University, 1999-2001.
15. Elaine Tsang *Quality of life among older Chinese people residing in low-level care facilities (hostels) and those residing in the community, in Melbourne.* Master of Gerontology, School of Public Health, La Trobe University, 1999-2000.
16. James Vo Thanh Xuan *What it takes to be a Vietnamese grandparent living in Australia.* Master of Gerontology, School of Public Health, La Trobe University, 1998-1999.
17. Judith Keller *The meaning to elderly people of using community services for the first time.* Master of Gerontology, School of Public Health, La Trobe University, 1998.

### HONOURS STUDENTS

1. Lisa Maree Joyce *Social connection and settlement experiences among Congolese refugee young people living in rural Australia.* Department of Public Health, School of Psychology & Public Health, College of Science, Health & Engineering, La Trobe University, 2015.
2. Amy Smith *Women in sports.* Department of Public Health, School of Psychology & Public Health, College of Science, Health & Engineering, La Trobe University, 2015.

3. Ceri Webb *The lived experience of parents who have children with speech dysfunctional disorders*. Department of Public Health, School of Psychology & Public Health, College of Science, Health & Engineering, La Trobe University, 2015.
4. Erin Louise Sanchez *Cultivating community: The health-related benefits of community gardening for a rural Victorian town*. School of Public Health, La Trobe University, 2014.
5. Hala Kurban *How perceived social attitudes influence the way Middle Eastern refugees living in Melbourne, Australia adapt and form connections with their new social environment*. School of Public Health, La Trobe University, 2014.
6. Estelle Foudoulis *The impact of the Falls and Wellbeing volunteer program on the psychosocial health of long term care patients: Perspectives from the volunteers*. School of Public Health, La Trobe University, 2014.
7. Harleen Aurora *The experiences of people with spinal cord injury (SCI) on sexual concerns and their in-patient sexual education and counselling experiences: A meta-synthesis of qualitative findings*. School of Public Health, La Trobe University, 2013.

9. Sydel Fernandes *What makes people sick? Burmese refugee children's perceptions of health and illness*. School of Public Health, La Trobe University, 2012.
10. Rebecca Meldrum *Caught between two words: Sexuality and the sexual health needs of young of young Muslim women*. School of Public Health, La Trobe University, 2012.
11. Stephanie Kenez *Do they mind? The portrayal of mental health in three major Australian daily newspapers*. School of Public Health, La Trobe University, 2012.
12. Sonia Dropsy *Food choices among Cambodian refugee mothers in Victoria*. School of Public Health, La Trobe University, 2011.
13. Yan Shan Lee *The development and evaluation of communicatively accessible environmental audit tool for the acute hospital stroke unit*. [School of Human Communication Sciences](#), La Trobe University, 2011.
14. Susannah Newman *Narrative accounts of cardiovascular and stroke patients attending the Coach program in Melbourne*. School of Public Health, La Trobe University, 2010 (First class honours).
15. Darren Capalb *The experiences of older people who participate in walking groups*. School of Public Health, La Trobe University, 2010.
16. Jessica Gill *Walk a mile in my shoes: Life as mothers of children with Asperger's syndrome*. School of Public Health, La Trobe University, 2009 (First class honours).
17. Susan Moyle *Personal training: An exploration of motives, experiences and perceived health benefits*. School of Public Health, La Trobe University, 2009 (First class honours).

18. Alice Wilkin *Aboriginal voice and vision: The experiences of Aboriginal women working in the Victorian health care system and the photovoice methods*. School of Public Health, La Trobe University, 2008 (First class honours).
19. Michelle Morgan *Living with chronic thrush among young Australian women in Melbourne*. School of Public Health, La Trobe University, 2007 (First class honours).
20. Angelique Aspidis *Female bodybuilding: An exploration of the perceptions of the effects of pre-competition preparation practices*. School of Public Health, La Trobe University, 2006 (First class honours).
21. Laurence Assender *The health of Chinese people in Melbourne*. School of Public Health, La Trobe University, 2006.
22. Samantha Assender *The use of Chinese traditional medicines among Chinese people in Melbourne*. School of Public Health, La Trobe University, 2006.
23. Tammy Rendina *Expectations of motherhood and postnatal depression among Australian-born mothers in Melbourne*. School of Public Health, La Trobe University, 2005 (First class honours).
24. Christina Gya *Lived experiences of women who have experienced breast cancer*. School of Public Health, La Trobe University, 2004.
25. Amy McClelland *Gender differences in perceptions and attitudes toward HPV Vaccination*. School of Public Health, La Trobe University, 2004 (First class honours).
26. Mellisa Buultjens *When giving life takes the life out of you: A comparative analysis and evaluation of mother's perceptions of postnatal depression prior to and following an intervention program*. School of Public Health, La Trobe University, 2004.
27. Melanie Leung *Living with disability: Perceptions and experiences of disability among older Chinese immigrants in Melbourne*. School of Public Health, La Trobe University, 2001.
28. Kellie Horton *Women and the body: Self-image of young women in Melbourne*. School of Public Health, La Trobe University, 2000.
29. Lina Abboud *Experiences and perceptions of women who miscarry and their partners*. School of Public Health, La Trobe University, 2000.
30. Vicki Tsianakas *Cultural differences and their impact on migrant women's use of health services: Prenatal testing*. School of Public Health, La Trobe University, 1999. (First class honours)
31. Jo Shugg *Women's health in Melbourne print media: An unobtrusive study*. School of Public Health, La Trobe University, 1998 (First class honours).
32. Rachelle Maddock *Non-English speaking background women's access to health service: Case studies of Vietnamese women living in Melbourne*. School of Public Health, La Trobe University, 1997.

33. Fiona Smith *Development and children in the Third World*. Honors thesis in Development Studies, School of Sociology and Anthropology, La Trobe University, 1997.

### **POSTGRADUATE DIPLOMA STUDENTS**

1. Lee Koh *Parental expectations and the physical and psychological wellbeing of Burmese refugee young women in Australia*. School of Public Health, La Trobe University, 2010-2011.
2. Samuel Abdelmalek *Prescription footwear: Subjective experiences of athletes with foot pain*. Graduate Diploma in Health Research Methodology, School of Public Health, La Trobe University, 2009-2011.
3. Bonnie Su *Diabetes type II and diet among Chinese immigrants in Melbourne*. Graduate Diploma in Health Research Methodology, School of Public Health, La Trobe University, 2005.
4. Roberta Honigman *Why do people drop out from health complaints submitted to the Health Services Commission?* Graduate Diploma in Conflict Resolution, School of Law and Management, La Trobe University, 2000.

### **UNDERGRADUATE RESEARCH PROJECT**

1. Fatima Archi *Sexuality and sexual health of young Muslim women in Australia: A metasyntesis*. Bachelor of Medical Science, School of Science and Health, Western Sydney University, 2017.

### **MENTORSHIP**

1. Dr Ayako Kohno, School of Public Health, Kyoto University, Japan, 2-19-present.
2. Dr Chloe Patton, School of Medicine, Western Sydney University, 2018.
3. Dr Brahmaputra Marjadi, School of Medicine, Western Sydney University, 2017-present.
4. Dr Mike Armour, National Institute of Complementary Medicine (NICM), Western Sydney University, 2017-present.
5. Dr Tinashe Dune, School of Science and Health, Western Sydney University, 2016-present.
6. Dr Amit Arora, School of Science and Health, Western Sydney University, 2016-present.
7. Dr Bonnie Pang, School of Science and Health, Western Sydney University, 2016-present.
8. Dr Dusanee Suwankhong, School of Public Health and Sports Science, Thaksin University, Thailand, 2013-present.
9. Dr Zaharah Sulaiman, Department of Medicine, University of Sains Malaysia, Malaysia, 2014-present.
10. Assistant Professor Niphatra Haritavorn, Faculty of Public Health, Thammasat University, Thailand, 2011-present.
11. Assistant Professor Quantar Balhithip, Faculty of Nursing, Prince of Songkla University, Thailand, 2013-present.
12. Dr Warankana Chachawes, Faculty of Nursing, Prince of Songkla University, Thailand, 2014-present.

13. Associate Professor Punpilai Sriaporn, Faculty of Nursing, Chiang Mai University, 2015-present.
14. Associate Professor Susanha Yimyam, Faculty of Nursing, Chiang Mai University, 2015-present.
15. Dr Mimmie Ngum Chi Watts, Community Health, College of Health and Biomedicine, Victoria University, 2014-2016.
16. Dr Paul O'Halloran, School of Psychology and Public Health, College of Science of Science, Health and Engineering, La Trobe University, 2013-2015.
17. Dr Milissa Monfries, School of Psychology and Public Health, College of Science of Science, Health and Engineering, La Trobe University, 2013-2015.

## PUBLICATIONS

### BOOKS

#### 1. Authored Books

1. Liamputtong, P. (2020) *Qualitative research methods, 5<sup>th</sup> edition*. Oxford University Press: Melbourne. The book is being translated into Japanese by Professors at Kyoto University and will be published by *Medical Sciences International* in 2022.
2. Liamputtong, P., Riji, H.M. & Syed, S. (2015). *Qualitative research methods in health*. Universiti Putra Malaysia Press: Serdang, Selangor, Malaysia.
3. Liamputtong, P. (2013) *Qualitative research methods, 4<sup>th</sup> edition*. Oxford University Press: Melbourne.
4. Westall, C., & Liamputtong, P. (2011) *Motherhood and postnatal depression: Narratives of women and their partners*. Springer: Dordrecht, The Netherlands.
5. Liamputtong, P. (2011, 2016) *Focus group methodology: Principles and practice*. Sage Publications: London. The online version was published in 2016.
6. Liamputtong, P. (2010) *Performing qualitative cross-cultural research*. Cambridge University Press: Cambridge.
7. Liamputtong, P. (2009) *Qualitative research methods, 3<sup>rd</sup> edition*. Oxford University Press: Melbourne. The book has been translated into Malaysian language by Associate Professor Haliza Riji of the Universiti Putra Malaysia, and was published by Universiti Putra Malaysia Press, Selangor Darul Ehsan, Malaysia in 2015.
8. Dickson-Swift, V., James, E., & Liamputtong, P. (2008) *Undertaking sensitive research in the health and social sciences: Managing boundaries, emotions and risks*. Cambridge University Press: Cambridge.
9. Liamputtong, P. (2007) *The journey of becoming a mother amongst women in northern Thailand*. Lexington Books: Lanham, MD.
10. Liamputtong, P. (2007) *Researching the vulnerable: A guide to sensitive research methods*. Sage Publications: London.
11. Liamputtong, P., & Ezzy, D. (2005) *Qualitative research methods, 2<sup>nd</sup> edition*. Oxford University Press: Melbourne, reprinted 2005, 2006 (twice), 2007, 2008. The book was translated into Chinese by Professor Xianlan Zheng, Professor in Nursing, Children's Hospital of Chongqing Medical University, Chongqing, and published by Chongqing University Press, Chongqing, China, 2009.

12. Liamputtong Rice, P. (2000) *Hmong woman and reproduction*. Bergin & Garvey: Westport, Connecticut.
13. Liamputtong Rice, P., & Ezzy, D. (1999) *Qualitative research methods: A health focus*. Oxford University Press: Melbourne, reprinted in 2000, 2001, 2003, 2004. The book was translated into Japanese by Professors Masahiro Kihara and Masako Kihara, Department of Global Health and Socio-epidemiology, School of Public Health, Kyoto University, and was published by San-kou-sha Press, Tokyo, 2007
14. Small, R., Lumley, J., Yelland, J., & Liamputtong Rice, P. (1997) *MINC - Mother in a New Country: Vietnamese, Turkish and Filipino women's views of maternity care*. Centre for the Study of Mothers' and Children's Health: Melbourne.
15. Liamputtong Rice, P. (1993) *My forty days: A cross-cultural resource book for health care professionals in birthing services*. The Vietnamese Antenatal/Postnatal Support Project: Melbourne.

## CONFERENCE COMMITTEES

Advisory Committee, *2<sup>nd</sup> International Conference on Migration, Development and Health*, Sydney, 2017.

Local organiser, the *14<sup>th</sup> Annual Qualitative Methods Conference*, Melbourne, 26-30 April 2015.

Programme Committee, the *1<sup>st</sup> Nakhon Phanom National and International Conference in Health Care*, Nakhon Phanom, Thailand, 8-10 July, 2014.

Programme Committee, the inauguration of the *Annual Global Healthcare Conference (GHC 2012)*, Singapore 20 - 21 August 2012.

Scientific Committee, *4<sup>rd</sup> International Online Medical Conference (IOMC)*, 6-7 March 2012.

Scientific Committee, *3<sup>rd</sup> International Online Medical Conference (IOMC)*, 6-7 March 2010.

Advisory Committee, *Health in Asia and the Pacific - Transitions of health, human, technology and ideology*. Social Sciences and Health Research Centre, School of Psychology, Psychiatry and Psychological Medicine, Faculty of Medicine, Nursing and Health Sciences, Monash University, June 2007.

## CONSULTANCY AND WORKSHOPS

*Qualitative research approach in health*. A 6-day short course, will be conducted online for the Department of Health Sciences, Princess Norah Bint Abdulrahman University, Saudi Arabia, 2021 (re-planning due to COVID-19 pandemic).

*Doing qualitative research in cyberspace.* A short course conducted online for the School of Public Health, Kyoto University, 18-19 November 2020.

*Training and curriculum development for teaching Qualitative Health Research Unit* for the School of Public Health, Kyoto University, 14-22 March 2020.

*Participatory Action Research and public health.* Workshop to be conducted at the school of Public Health, University of Kyoto, Kyoto, Japan, 21-22 November 2019.

*Metasynthesis of qualitative research.* Workshop conducted at the Faculty of Medicine, University of Malaya, 27-30 November 2018.

*Metasynthesis of qualitative research.* Workshop conducted at the Faculty of Medicine, University of Malaya, 27-30 November 2017.

*Qualitative research methods and public health.* Workshop conducted at the University of Malaya, Kuala Lumpur, Malaysia, 11-15 September 2017.

*Metasynthesis of qualitative evidence.* A preconference workshop conducted at the 9th International Qualitative Research Conference: 'Expanding Boundaries through Qualitative Inquiry', 24-26 August 2017, Kuala Lumpur, Malaysia.

*Narrative and discourse analysis in qualitative research.* Workshop conducted at the Faculty of Medicine, Univesiti of Sans Malaysia, Malaysia, 4 December, 2016.

*Metasynthesis of qualitative research and write up for publications.* Workshop conducted at the Faculty of Medicine, University of Malaya, 6-9 December, 2016.

*Metasynthesis and write up for publications.* Workshop conducted at the Boromrachachonee Nursing College, Ratchabury, Thailand, 9-1- December 2015.

*Writing-up for publications.* Workshop conducted the Boromrachachonee Nursing College, Uttaradit, Thailand, 23-27 November 2015.

*Qualitative research methods and public health research.* Workshop conducted at the Faculty of Public Health, Thammasat University, Thailand, 30 November-4 December 2015.

*Qualitative research and medical care.* Workshop conducted at the Faculty of Medicine, University of Malaya, Malaysia, 28 September-2 October 2015.

*Manuscript writing workshop.* Workshop conducted for staff of the Faculty of Nursing, Chiang Mai University, 13-15 July, 2015.

*Qualitative data analysis and writing-up.* Workshop conducted the Boromrachachonee Nursing College, Uttaradit, Thailand, 6-10 July 2015.

*Writing qualitative research proposal in nursing.* Workshop conducted at the Boromrachachonee Nursing College, Uttaradit, Thailand, 17-21 November 2014.

*Qualitative research inquiry and nursing.* Workshop conducted at the Boromrachachonee Nursing

College, Ratchabury, Thailand, 15-16 July 2014.

*Qualitative research methods and public health research.* Workshop conducted at the Faculty of Public Health, Thammasat University, Thailand, 30 June-4 July 2014.

*Qualitative data analysis and writing up findings for publications.* Workshop conducted at the Faculty of Nursing, Nakhon Phanom University, Thailand, 26-30 May 2014.

*Qualitative research inquiry in health research.* Workshop conducted at the Faculty of Nursing, Nakorn Phanom University, Thailand, 19-23 May 2014.

*Advanced qualitative research methodology.* Workshop conducted at the Faculty of Public Health, Thammasat University, Thailand, 25-29 November 2013.

*Writing for publication in public health.* Workshop organised for academic staff in the Faculty of Public Health, Faculty of Public Health, Thammasat University, Thailand, 3-5 September & 13 December 2013.

*Qualitative research methods and public health research.* Workshop conducted at the Faculty of Public Health, Thammasat University, Thailand, 3-7 June 2013.

*Qualitative research methods and public health research.* Workshop conducted at the Faculty of Public Health, Thammasat University, Thailand, 17-21 December 2012.

*Performing qualitative cross-cultural research.* A qualitative research method master class workshop conducted at Menzies College of Health, Darwin, 14-15 August 2012.

*Qualitative research methods in nursing.* Workshop conducted for staff and master students in nursing, at the University is Hong Bang University International, Ho Chi Min City, Vietnam, 1-9 July 2012.

*Qualitative research methods and public health research.* Workshop conducted at the Faculty of Public Health, Thammasat University, Thailand, 21-25 May 2012.

*Qualitative research in teaching-learning: Developing a research project between a supervisor and student.* Workshop organised for academic staff, St. Louis University, Bangkok, 13-15 December, 2011.

*Qualitative research methods in nursing and health care.* Workshop organised for staff and postgraduate students, St. Louis University, Bangkok, 6-10 December, 2011.

*Qualitative research methods in health.* Workshop conducted for staff, at the Faculty of Medicine, Universiti Sains Malaysia, Kota Bharu, Kelantan, Malaysia, 19-20 June 2011.

*Qualitative research methods and public health.* Workshop conducted for staff and postgraduate students, at the Faculty of Medicine, Universiti Putra Malaysia, Kuala Lumpur, Malaysia, 13-16 June 2011.

*Performing cross-cultural research qualitatively.* Workshop given at the 11th Advances in Qualitative Methods Conference, Vancouver, British Columbia, Canada, 6 October, 2010.

*Researching the vulnerable: Ethical and methodological considerations.* Workshop conducted at the 10th Advances in Qualitative Methods Conference, Vancouver, British Columbia, Canada, 7 October, 2009.

*Writing qualitative research proposals.* Workshop organised for postgraduate students of St Louis University, St. Louis University, Bangkok, 13-17 July, 2009.

*Qualitative research: Theory and practice in nursing and health.* Workshop organised for staff and postgraduate students of St Louis College and nursing professionals in Thailand, St. Louis University, Bangkok, 11-15 December, 2007.

*Qualitative research methods and its relevance to pharmaceutical science and health.* Workshop organised for staff and postgraduate students, Chulalongkorn University, Bangkok, 17-20 December, 2007.

*Qualitative research methods in nursing and health care.* Workshop organised for staff and postgraduate students, St. Louis University, Bangkok, 22-26 May, 2006.

*Pharmacy and health anthropology.* Workshop organised for staff and postgraduate students of the International Program, Social Pharmacy Research Unit (SPR), Faculty of Pharmaceutical Sciences, Chulalongkorn University, Bangkok, 14-18 February, 2006.

Consultant and Co-ordinate an e-learning course on '*Pharmacy and Health Anthropology*' for Masters in Social and Administrative Pharmacy, funded by the Higher Education Commission of Thailand, for the Faculty of Pharmaceutical Sciences, Chulalongkorn University, Thailand, 2006.

*Qualitative research on health and pharmaceuticals.* Workshop organized for staff and postgraduate students of the International Program, Social Pharmacy Research Unit (SPR), Faculty of Pharmaceutical Sciences, Chulalongkorn University, Bangkok, 30 March-2 April, 2005.

Consultant to conduct a training program on *qualitative research on effective health communication channels* for medical research workers, and running Focus Group Interviews with lay people in the World Bank Health Promotion Program in Beijing, China, September.

## CONFERENCE PAPERS

### ACADEMIC CONFERENCES

*Living with pelvic girdle pain in pregnancy amongst Australian women: A qualitative study* (**Dragana Ceprnja**, Lucinda Chipchase, Pranee Liamputtong & Amitabh Gupta). Paper to be presented at THRIVE 2021 – Australian Physiotherapy Conference, Brisbane, 21-23 October 2021.

*Emotional healing landscapes amongst Thai women living with breast cancer* (**Pranee Liamputtong** & Dusanee Suwankhong). Paper to be presented at the 2<sup>nd</sup> International Women's Health and Breast Cancer Conference, London, 10-11 June 2021.

*Prevalence of pregnancy-related pelvic girdle pain in western Sydney* (**Dragana Ceprnja**, Lucinda Chipchase, Pranee Liamputtong, Paul Fahey & Amitabh Gupta). Paper to be presented at the XXIV Annual Congress of Perinatal Society of Australia & New Zealand (PSANZ), virtual conference, 29-31 March 2021.

*Decolonizing research methodologies through socially inclusive practice* (**Pranee Liamputtong, Dan Spitzer & Cara Meixner**). Panel presentation at the 11th Annual African, African American, and Diaspora Studies (AAAD) Interdisciplinary Conference (Virtual), James Madison University, Harrisonburg, VA, USA, 17-20 February 2021.

*Food security among Middle Eastern, Arab and North African migrants and refugee in high-income countries: A systematic review* (**Reima Mansour, Pranee Liamputtong & Amit Arora**). Paper presented at the Health Beyond Research & Innovation Showcase, South Western Sydney Local Health District, 5-6 June 2019, Sydney, Australia.

*Heightened emotional vulnerability and regaining control: A grounded theory of family resilience in an Australian Intensive Care Unit (ICU)* (**Pauline Wong, Pranee Liamputtong, Susan Kock & Helen Rawson**). Paper presented at the 17th Qualitative Methods (QM) Conference, Brisbane, 1-3 May 2019.

*What it takes to be a migrant mother!: The lived experience of Zimbabwean migrant women in Melbourne, Australia* (**Pranee Liamputtong & Sandra Benza**). Paper presented at the International Conferences on Business and Social Sciences (ICBASS), Kyoto, 26-28 March 2019.

*I want to become mae (a mother) despite my HIV status: Narratives of women living with HIV in southern Thailand* (**Dusanee Suwankhong & Pranee Liamputtong**). Paper presented at the International Conferences on Business and Social Sciences (ICBASS), Kyoto, 26-28 March 2019.

*Chronic pain in the Emergency Department: A mixed methods study of culturally and linguistically diverse patient presentations* (**Bernadette Brady, Andary, T, Jennings, M, Liamputtong, P, Dennis, S, Boland, R, Pavlovic, N, Tcharkhedian, E, & Chipchase, L**). Paper presented at the 39<sup>th</sup> Australian Pain Society, 7-10 April Goldcoast, Queensland, Australia, 2019.

*Health, social integration and social support amongst Young Middle-Eastern refugees living in Melbourne, Australia* (**Pranee Liamputtong & Hala Kurban**). Paper presented at the International Conference on Information and Social Science-Summer Session, 2018, Sapporo, Hokkaido, Japan, 17-19 August 2018.

*Stigma and coping means among mothers living with HIV in Southern Thailand* (**Dusanee Suwankhong & Pranee Liamputtong**). Paper presented at Paper presented at the International Conference on Information and Social Science-Summer Session, 2018, Sapporo, Hokkaido, Japan, 17-19 August 2018.

*When I become an amai: Motherhood and experiences of Zimbabwean migrant women* (**Pranee Liamputtong & Sandra Benza**). Paper presented at the Australian Society for Psycho-Social Obstetrics and Gynaecology (ASPOG) conference, Parramatta, Australia, 2-4<sup>th</sup> August 2018.

*Recent advancements in public health research. Keynote address* given at the 1st international Conference of Pharmacy Practices, Kuala Lumpur, Malaysia, 28 June 2018.

*Community-based participatory action research and its essence in public health*. Invited workshop given at the 1st international Conference of Pharmacy Practices, Kuala Lumpur, Malaysia, 28 June 2018.

*Crossing the line*. Paper presented at the Acting on Evidence: Understanding and Preventing Violence Against Women conference organised by Australia's National Research Organisation for Women's Safety (ANROWS), Sydney, Australia, 15-17 May 2018.

*'Being able to bear a child is important for a woman in my culture': Insights from Zimbabwean women in Melbourne* (**Pranee Liamputtong** & Sandra Benza). Paper presented at the 7<sup>th</sup> International Conference on Social Science and Humanity, Fukuoka, Japan, 26-28 March 2018.

*Barriers to breast cancer care among Thai migrant women living in Melbourne, Australia* (**Dusanee Suwankhong** & Pranee Liamputtong). Paper presented at the 7<sup>th</sup> International Conference on Social Science and Humanity, Fukuoka, Japan, 26-28 March 2018.

*Heightened emotional vulnerability and regaining control: A grounded theory of family resilience in an Australian ICU* (**Pauline Wong**, Pranee Liamputtong, Susan Koh & Helen Rawson). Paper presented at the 42<sup>nd</sup> Australian and New Zealand Annual Scientific Meeting on Intensive Care and the 23<sup>rd</sup> Annual Paediatric and Neonatal Intensive Care Conference, Gold Coast, Australia, 11-13 October 2017.

*Innovative methods in qualitative inquiry in the 21st century*. **Keynote address** given the 9th International Qualitative Research Conference: 'Expanding Boundaries through Qualitative Inquiry', 24-26 August 2017, Kuala Lumpur, Malaysia.

*Lived experience of nuk muay Thai (Thai boxers) in Thailand: Methodological discussion* (**Dusanee Suwankhong**, Pranee Liamputtong & Chamnan Chinasee). Paper presented at the 9th International Qualitative Research Conference: 'Expanding Boundaries through Qualitative Inquiry', 24-26 August 2017, Kuala Lumpur, Malaysia.

*Therapeutic landscapes and living with breast cancer: The lived experiences of Thai women* (**Pranee Liamputtong** & Dusanee Suwankhong). Paper presented at the Twelfth International Conference on Interdisciplinary Social Sciences, Hiroshima, Japan, 26-28 July 2017.

*The lived experience of motherhood amongst HIV-positive women in southern Thailand* (**Dusanee Suwankhong** & Pranee Liamputtong). Paper presented at the Twelfth International Conference on Interdisciplinary Social Sciences, Hiroshima, Japan, 26-28 July 2017.

*'I need help': Reasons callers make contact with the PANDA Perinatal Anxiety and Depression Australia National Helpline* (**Laura J Biggs**, Helen L McLachlan, Touran Shafiei, Rhonda Small, Pranee Liamputtong & Della A Forster). Paper presented at the 31<sup>st</sup> ICM Triennial Congress: Midwives – Making a Difference in the World, Toronto, Canada, 18-22 June 2017.

*Nurturing my infant: traditional and contemporary mothering practices of migrant women from Myanmar living in southern Thailand* (**Titaree Phanwichatkul**, Virginia Schmied, Pranee Liamputtong & Elaine Burn). Paper presented at the Nutrition and Nurture in Infancy and Childhood: Bio-Cultural Perspectives conference, Grange-over-Sands, Cumbria, UK, 12-14 June 2017.

*How do Lactation Consultants support women to breastfeed? An ethnographic study of the work of Lactation Consultants in an urban Australian context* (**Jen Hocking**, Pranee Liamputtong & Virginia Schmied). Paper presented at the Nutrition and Nurture in Infancy and Childhood: Bio-Cultural Perspectives conference, Grange-over-Sands, Cumbria, UK, 12-14 June 2017.

*Parents' experiences of their children's supplementary reading intervention* (**Tanya Serry**, Miranda Rose & Pranee Liamputtong). Paper presented at the Language, Literacy & Learning conference, Perth, 30 March-1 April 2017.

*Volunteers' experiences of providing peer support on the PANDA Perinatal Anxiety & Depression Australia Helpline* (**Laura J Biggs**, Helen L McLachlan, Touran Shafiei, Rhonda Small, Pranee Liamputtong & Della A Forster). Paper presented at the International Marce Society Conference, Melbourne, 26-28 September 2016.

*Heightened emotional vulnerability and regaining control: A grounded theory of family resilience in an Australian ICU* (**Pauline Wong**, Pranee Liamputtong, Susan Koch & Helen Rawson). Paper presented at the 31<sup>st</sup> Annual BACCN conference 2016, Glasgow, 19 & 20 September 2016.

*How do lactation consultants support women to breastfeed in Australia?* (**Jen Hocking** & Pranee Liamputtong). Paper presented at the Nutrition and Nurture in Infancy and Childhood: Bio-Cultural Perspectives, 23-25 August 2016, Dalarna, Sweden.

*From inadequacy to abundance: Infant feeding experiences as a 'mi khin' in Australia among refugees mothers from Burma* (**June Joseph**, Pranee Liamputtong & Wendy Brodribb). Paper presented at the Nutrition and Nurture in Infancy and Childhood: Bio-Cultural Perspectives, 23-25 August 2016, Dalarna, Sweden.

*The lived experiences of Australia's female street-based sex workers; Impacts of stigma and discrimination* (**Rachel Lennon**, Pranee Liamputtong & Liz Hoban). Paper presented at the 32<sup>nd</sup> International Congress of Psychology, Yokohama, Japan, 24-29 July 2016.

*Becoming amai (mother): How Zimbabwean women deal with the competing demands in their new homeland* (**Pranee Liamputtong** & Sandra Benza). Paper presented at the *Negotiating*

*Competing Demands: 21st Century Motherhood*, 13-16 July 2016, Melbourne, Australia.  
*Manoeuvring resettlement as a nurturer: The infant feeding experiences of Asian mothers from refugee backgrounds in Brisbane* (**June Joseph**, Pranee Liamputtong & Wendy Brodribb). Paper presented at the *Negotiating Competing Demands: 21st Century Motherhood*, 13-16 July 2016, Melbourne, Australia.

*Negotiating competing demands: Living and working conditions for Burmese women in southern Thailand* (**Titaree Phanwichatkul**, Virginia Schmied, Elain Burn & Pranee Liamputtong). Paper presented at the *Negotiating Competing Demands: 21st Century Motherhood*, 13-16 July 2016, Melbourne, Australia.

*Burmese women's experience of maternity care in the south of Thailand: An ethnographic study* (**Titaree Phanwichatkul**, Virginia Schmied, Elain Burn & Pranee Liamputtong). Paper presented at the Optimizing Health care Quality: Teamwork in Education, Research, and Practice Conference, 22-24 June, 2016, Chiang Mai, Thailand.

*Breast cancer – Genetics or bad karma! Meanings and experiences of Thai women in southern Thailand* (**Pranee Liamputtong** & Dusanee Suwankhong). Paper presented at the 13<sup>th</sup> International Congress of Human Genetics, Kyoto, Japan, 3-7 April 2016.

*Breast cancer, genetics and health beliefs among Thai immigrant women in Australia* (**Dusanee Suwankhong** & Pranee Liamputtong). Paper presented at the 13<sup>th</sup> International Congress of Human Genetics, Kyoto, Japan, 3-7 April 2016.

*The role of lactation consultants in two council breastfeeding services in Melbourne, Australia – Some preliminary impressions* (**Jen Hocking** & Pranee Liamputtong). Paper presented at the Breastfeeding and feminism international conference, Chapel Hill, NC, USA, 20-22 March 2016.

*Breast cancer and meaning-making discourse: The experiences of women in southern Thailand* (**Pranee Liamputtong** & Dusanee Suwankhong). Paper presented at the Fifth International Conference on Health, Wellness & Society, Madrid, Spain, 3-4 September 2015.

*Breast cancer treatments: Experiences of changes and social stigma among Thai women in southern Thailand* (**Dusanee Suwankhong** & Pranee Liamputtong). Paper presented at the Fifth International Conference on Health, Wellness & Society, Madrid, Spain, 3-4 September 2015.

*Japanese children's perceptions of sports injuries and preventions* (**Asuka Sakamoto** & Pranee Liamputtong). Poster presented at the World Federation for Physical Therapy Congress, Singapore, 1-4 May 2015.

*Cultural sensitivity: A sensitive and responsible researcher*. Invited Q-Talk given at the 14<sup>th</sup> Annual Qualitative Methods Conference, Melbourne, 26-30 April 2015.

*What makes people sick? The drawing method and Burmese refugee children's conceptualisation of health and illness*. Paper presented at the 14<sup>th</sup> Annual Qualitative Methods Conference, Melbourne, 26-30 April 2015.

*Infant feeding in the migratory configuration: A theoretical perspective* (**June Mabel Joseph** & Pranee Liamputtong). Paper presented at the 14<sup>th</sup> Annual Qualitative Methods Conference, Melbourne, 26-30 April 2015.

*The use of the photovoice method in combination with in-depth interviews in researching with Thai transgender individuals: Fieldwork experiences* (**Pattaraporn Moolchaem** & Pranee Liamputtong). Poster presented at the 14<sup>th</sup> Annual Qualitative Methods Conference, Melbourne, 26-30 April 2015.

*Researching children with AS using drawing method: Methodological reflections* (**Jessica Gill** & Pranee Liamputtong). Paper presented at the 14<sup>th</sup> Annual Qualitative Methods Conference, Melbourne, 26-30 April 2015.

*Becoming amai (mother) in a foreign land: Balancing childbearing, childrearing and migration* (**Sandra Benza** & Pranee Liamputtong). Paper presented at the 14<sup>th</sup> Annual Qualitative Methods Conference, Melbourne, 26-30 April 2015.

*How do lactation consultants help women to breastfeed successfully* (**Jen Hocking**, Pranee Liamputtong & Kath Ryan). Poster presented at the 14<sup>th</sup> Annual Qualitative Methods Conference, Melbourne, 26-30 April 2015.

*Sexual dysfunction and Malaysian women: Issues and challenges in methodology* (**Rosediani Muhamad**, Pranee Liamputtong, Paul O'Halloran & Wah Yun Low). Paper presented at the

14<sup>th</sup> Annual Qualitative Methods Conference, Melbourne, 26-30 April 2015.

*Consequences of sexual dysfunctioning: Experiences of Malaysian women* (**Rosediani Muhamad**, Pranee Liamputtong, Paul O'Halloran & Wah Yun Low). Poster presented at the 14<sup>th</sup> Annual Qualitative Methods Conference, Melbourne, 26-30 April 2015.

*Chaos, despair and breast cancer diagnosis: Emotional experiences of southern Thai women living with breast cancer*. Paper presented at the Women's Mental Health Congress, Tokyo, Japan, 22-25 March, 2015.

*Chemotherapy treatment for women with breast cancer in southern Thailand: Physical and emotional experiences* (**Dusanee Suwankhong** & Pranee Liamputtong). Paper presented at the Women's Mental Health Congress, Tokyo, Japan, 22-25 March, 2015.

*Emotional consequences of impaired sexual functioning among Malay women: Experiences from Peninsular Malaysia* (**Rosediani Muhamad**, Pranee Liamputtong, Paul O'Halloran & Wah Yun Low). Paper presented at the Women's Mental Health Congress, Tokyo, Japan, 22-25 March, 2015.

*Becoming amai (mother) in a foreign land: The lived experience of Zimbabwean women in Melbourne, Australia* (**Sandra Benza** & Pranee Liamputtong). Paper presented at the first international conference on Migration, Social Disadvantage and Health, Melbourne, 11-13 February 2015.

*How perceived social attitudes influence the way young Middle-Eastern refugees adapt and form connections with their new social environment*. Paper presented at the first international conference on Migration, Social Disadvantage and Health, Melbourne, 11-13 February 2015.

*Infant feeding in a changing social context: Thai women's perspective*. Paper presented at the 5th International Conference on Nutrition and Nurture in Infancy and Childhood: Relational, Bio-cultural and Spatial Perspectives. University of Western Sydney, Sydney, 5-7 November 2014.

*Meaning of sexuality: Differences between the views and experiences of Malay women with sexual difficulties and those of primary care specialists* (**Rosediani Muhamad**, Pranee Liamputtong, Paul O'Halloran & Wah Yun Low). Paper presented at the 46th Asia-Pacific Academic Consortium for Public Health (APACPH) Conference, Hilton, Kuala Lumpur, 17-19 October 2014.

*Living with breast cancer: Emotional experiences of Thai women*. Paper presented at the 9<sup>th</sup> European Oncology Nursing Society Congress, Istanbul, 18-19 September 2014.

*Breast cancer treatment: Experiences of changes and stigma among Thai women in Southern Thailand* (**Dusanee Suwankhong** & **Pranee Liamputtong**). Paper presented at the 9<sup>th</sup> European Oncology Nursing Society Congress, Istanbul, 18-19 September 2014.

*Antiretrovirals, hope and medication-taking practices: The lived experiences of women living with HIV/AIDS in Thailand*. Paper presented at the XVI World Congress of Psychiatry: Focusing on Access, Quality and Human Care, Madrid, Spain, 14-18 September, 2014.

*Being transgendered: Emotional well-being and resilience* (**Pattaraporn Moolchaem** & Pranee Liamputtong). Paper presented at the XVI World Congress of Psychiatry: Focusing on Access, Quality and Human Care, Madrid, Spain, 14-18 September, 2014.

*Experiencing breast cancer: Emotional turmoil and psychological responses among women in rural Thailand.* (**Dusanee Suwankhong** & Pranee Liamputtong). Paper presented at the XVI World Congress of Psychiatry: Focusing on Access, Quality and Human Care, Madrid, Spain, 14-18 September, 2014.

*Cultural diversity and health care: The role of qualitative research.* **Keynote address** given at the 1<sup>st</sup> Nakkon Phanom National and International Conference in Health Care, Nakhon Phanom, Thailand, 8-10 July, 2014.

*Ya dtan roke AIDS: Local discourse of antiretrovirals and lived experience amongst women living with HIV in Thailand.* Paper presented at the International Thai Studies conference, Sydney, 22-24 April 2014.

*Thai women and their experiences of seeking breast cancer care in Australia* (**Dusanee Suwankhong** & Pranee Liamputtong). Paper presented at the International Thai Studies conference, Sydney, 22-24 April 2014.

*Eating disorders: The perceptions of young women and social media portrayal* (**Arushi Verma**, Maria Irini-Avgoulas & Pranee Liamputtong). Paper presented at the Fourth International Conference on Health, Wellness and Society, Vancouver, Canada, 14-15 March 2014.

*HIV-positive women and the living positively discourse in Thailand.* Paper presented at the 11<sup>th</sup> International Congress on AIDS in Asia and the Pacific (ICAAP11), Bangkok, Thailand, 18-23 November 2013.

*Gaining an insight on access and adherence of ART among Nepali seasonal migrants and their spouses* (**Sumitra Devi Shrestha** & Pranee Liamputtong). Paper presented at the 11<sup>th</sup> International Congress on AIDS in Asia and the Pacific (ICAAP11), Bangkok, Thailand, 18-23 November 2013.

*Fathering in isolation: The experiences of Cambodian migrant fathers in Victoria* (**Evan O'Grady**, Elizabeth Hoban & Pranee Liamputtong). Paper presented at the 42<sup>nd</sup> Public Health Association of Australia Annual Conference, A "fair go" for health: Tackling physical, social and psychological inequality, Hilton on the Park, Melbourne, 16-18 September 2013.

*Motherhood, employment and vulnerability among Cambodian immigrant women in Victoria* (**Elizabeth Hoban** & Pranee Liamputtong). Paper presented at the 42<sup>nd</sup> Public Health Association of Australia Annual Conference, A "fair go" for health: Tackling physical, social and psychological inequality, Hilton on the Park, Melbourne, 16-18 September 2013.

*Gender, culture and migration: The experiences of African Australian teenage mothers in Greater Melbourne, Australia* (**Mimmie Claudine Ngum Chi Watts** & Pranee Liamputtong). Paper presented at the 42<sup>nd</sup> Public Health Association of Australia Annual Conference, A "fair go" for health: Tackling physical, social and psychological inequality, Hilton on the Park, Melbourne, 16-18 September 2013.

*Peer support, mobile phone and social capital among refugee women living in Melbourne, Australia: Implications for health promotion.* Paper presented at the 21th IUHPE World Conference on Health Promotion, Pattaya, Thailand, 25-29 August 2013.

*Experiencing breast cancer: The lived experience and help promoting behavior among women in southern Thailand* (**Dusanee Suwankhong** & Pranee Liamputtong). Poster presented at the 21th IUHPE World Conference on Health Promotion, Pattaya, Thailand, 25-29 August 2013.

*A meta-synthesis of the lived experience of transgendered individuals: Implications for health promotion* (**Pattaraporn Moolchaem**, Pranee Liamputtong & Paul O'Halloran). Paper presented at the 21th IUHPE World Conference on Health Promotion, Pattaya, Thailand, 25-29 August 2013.

*A qualitative metasynthesis of heterosexual women's sexuality and sexual function: Implication for sexual health promotion* (**Rosediani Muhamad**, Pranee Liamputtong & Paul O'Halloran). Paper presented at the 21th IUHPE World Conference on Health Promotion, Pattaya, Thailand, 25-29 August 2013.

*The role of the workplace in maintaining breast milk feeding for employed women in urban Malaysia* (**Zaharah Sulaiman**, Pranee Liamputtong & Lisa Amir). Paper presented at the Born to Breastfeed: A Global Public Health Imperative Conference, organised by the International Lactation Consultant Association (ILCA), Melbourne Convention & Exhibition Centre in Melbourne, Australia 25-28 July, 2013.

*Milk expression among working women in urban Malaysia: Where and how?* (**Zaharah Sulaiman**, Pranee Liamputtong & Lisa Amir). Poster presented at the Born to Breastfeed: A Global Public Health Imperative Conference, organised by the International Lactation Consultant Association (ILCA), Melbourne Convention & Exhibition Centre in Melbourne, Australia 25-28 July, 2013.

*Sensitive research and vulnerable participants: Accessing and conducting research with African Australian teenage mothers in Greater Melbourne, Australia* (**Mimmie Claudine Ngum Chi Watts** & Pranee Liamputtong). Paper presented at the 2nd Global Health Care conference, Singapore, 8-9 July, 2013.

*Perceptions of Arabic speaking parents and speech pathologists on parent involvement in school-based speech pathology services in multicultural Australia* (**Riham Abdulla**, Miranda Rose & Pranee Liamputtong). Paper to be presented at the Speech Pathology Australia National Conference, Sydney, 2013.

*Supporting people with communication difficulties in hospital through environmental modifications* (**Robyn O'Halloran**, Shan Yan Lee, Miranda Rose & Pranee Liamputtong). Communicating Health Symposium, University of Melbourne, 4<sup>th</sup> December 2012.

*Peer support and mobile phone among refugee women living in Melbourne, Australia.* Paper presented at the 18th Qualitative Health Research (QHR) Conference, Montreal, Canada, 23-25 October 2012.

*Trapped alone in the dark: Motherhood and postnatal depression experience of Australian mothers and their partners.* Paper presented at the World Psychiatry Association (WPA) International Congress 2012, Prague, Czech Republic, 17-21 October 2012.

*Mor sai yasart (spiritual traditional healers) and mental illness in southern Thailand* (**Dusanee Suwankhong** & Pranee Liamputtong). Paper presented at the World Psychiatry Association (WPA) International Congress 2012, Prague, Czech Republic, 17-21 October 2012.

*Reading Recovery® teachers speak about Reading Recovery®* (**Tanya Serry**, Pranee Liamputtong & Miranda Rose). Paper presented at the International Dyslexia Association, Baltimore, USA, October 2012.

*Falls in older persons: Factors impacting on the decision to participate in an exercise program amongst recent fallers* (**Julie Lam**, Pranee Liamputtong & Keith Hill). Paper presented at the Fifth Biennial Australian and New Zealand Falls Prevention Conference, Adelaide Convention Centre, Adelaide, 28-30 October 2012.

*How working mothers see breastfeeding as an infant feeding choice* (**Zaharah Sulaiman**, Lisa Amir & Pranee Liamputtong). Paper presented at the *Breastfeeding - The Blueprint For Life*, organised by the Lactation Consultants of Australia and New Zealand (LCANZ), Sydney Masonic Centre, Sydney, Australia, 7-9 September 2012.

*DIY social capital: Mobile phone peer support with refugee women* (Dennis Wollersheim, Lee Koh, Pranee Liamputtong, Rae Walker & Priscilla Robinson). Poster presented at the Australian Population Health Congress, Adelaide Convention Centre, Adelaide, 10-12 September 2012.

*The drawing method and young people living with high functioning autism* (**Jessica Gill**, Pranee Liamputtong & Elizabeth Hoban). Paper presented at the AQR / DPR Conference 'Embodying Good Research - What counts and Who decides?', 23-25 August 2012, Charles Darwin University, Darwin, N.T Australia.

*Researching infant feeding choices among working mothers in Malaysia qualitatively* (**Zaharah Sulaiman**, Pranee Liamputtong & Lisa Amir). Paper presented at the AQR / DPR Conference 'Embodying Good Research - What counts and Who decides?', 23-25 August 2012, Charles Darwin University, Darwin, N.T Australia.

*Primary health care: Role of traditional healers in southern Thailand* (**Dusanee Suwankhong**, Pranee Liamputtong & Bruce Rumbold). Paper presented at the AQR / DPR Conference 'Embodying Good Research - What counts and Who decides?', 23-25 August 2012, Charles Darwin University, Darwin, N.T Australia.

*Wellbeing as expressed by sexual minorities undertaking anti-retroviral therapy in Nepal: A focus group study* (**Sumitra Devi Shrestha** & Pranee Liamputtong). Paper presented at the AQR / DPR Conference 'Embodying Good Research - What counts and Who decides?', 23-25 August 2012, Charles Darwin University, Darwin, N.T Australia.

*Women helping women/Empowering Women: Mobile phone peer support among refugees* (**Dennis Wollersheim**, Lee Koh, Pranee Liamputtong & Rae Walker). Paper presented at the Fifth International Asian & Ethnic Minority Health and Wellbeing Conference, Auckland, New Zealand, 27-28 June, 2012.

*Parental expectations, resettlement and resilience: Experiences of young Burmese refugee women* (**Lee Koh**, Pranee Liamputtong & Rae Walker). Paper presented at the Fifth International Asian & Ethnic Minority Health and Wellbeing Conference, Auckland, New Zealand, 27-28 June, 2012.

*Cultural sensitivity and cross-cultural research: A responsible researcher.* Paper presented at the International Conference: Innovative Research in a Changing and Challenging World, Phuket, Thailand, 16-18 May 2012.

*Foundations for a communicatively accessible healthcare environment* (**Robyn H'Halloran**, Miranda Rose, Pranee Liamputtong). Poster presented at the World Report on Disability: Implications for Asia and the Pacific Symposium, organised by the University of Sydney and the World Health Organization, the University of Sydney, Sydney, 5 - 6 December 2011.

*Transcultural perspectives in childbearing care research: The need for qualitative inquiry.* Invited paper presented at the Research Workshop and Research Project Development - Advanced Research in Childbearing, Maternal and Neonatal care and Transcultural perspectives, organised by the University College of Bodø, Faculty of Professional Studies and University of Tromsø, Institute of Health and Caring Science in collaboration with BFiN: Childbearing in Europe-the qualitative research network in childbearing, 20 September 2011.

*Women and mothers as vulnerable individuals: Implications for childbearing research and maternity care.* Invited paper presented at the Research Workshop and Research Project Development - Advanced Research in Childbearing, Maternal and Neonatal care and Transcultural perspectives, organised by the University College of Bodø, Faculty of Professional Studies and University of Tromsø, Institute of Health and Caring Science in collaboration with BFiN: Childbearing in Europe-the qualitative research network in childbearing, 20 September 2011.

*A grounded theory study to explore the families' perspectives when they interact in the intensive care unit (ICU)* (**Pauline Wong**, Pranee Liamputtong, Helen Rawson & Susan Koch). Paper presented at the fifth Pan-Pacific Nursing Conference organised by the Chinese University of Hong Kong, Hong Kong, 22-24 September 2011

*Qualitative ethnographic study: A flexible approach* (**Dusanee Suwankhong**, Pranee Liamputtong & Bruce Rumbold). Paper given at the Association for Qualitative Research: Discourse, Power, Resistance 'Down Under' Conference, Cairns, Australia, 23-25 august 2011.

*Wellbeing as reflective evaluation of experiences: A qualitative-focused mixed methods study findings* (**Sumitra Devi Shrestha** & Pranee Liamputtong). Paper given at the Association for Qualitative Research: Discourse, Power, Resistance 'Down Under' Conference, Cairns, Australia, 23-25 august 2011.

*Traditional healers in Southern Thailand: Chaow baan's perceptions and experiences of their roles* (**Dusanee Suwankhong**, Pranee Liamputtong & Bruce Rumbold). Paper given at the 11th International Conference on Thai Studies, Bangkok, Thailand, 26-28 July 2011.

---

*HIV/AIDS, stigma and AIDS support groups: Embodied experiences of women living with HIV and AIDS in central Thailand.* Paper given at the 11th International Conference on Thai Studies, Bangkok, Thailand, 26-28 July 2011.

*Living positively discourse and Thai women living with HIV/AIDS in central Thailand.* Paper given at the 10<sup>th</sup> Annual International Conference on Health Economics, Management & Policy, the University of Athens, 27-30 June 2011.

*Discourses of good motherhood among Southeast Asian immigrant women in Australia.* Paper presented at 'The Vulnerable Mother: Social Interactions, Institutions, and Systems of Cultural Values' Conference, organised by the Motherhood Foundation Inc of Museum of Motherhood, Marymount Manhattan College, New York, 23-25 May 2011.

*Families' experiences of their interactions in an Australian ICU: A qualitative study* (**Pauline Wong & Pranee Liamputtong**). Paper presented at the 1<sup>st</sup> International Conference on 'Research in Nursing and Health: Situating and Stipulating Qualitative Health Research in Today's Practices'. Chiang Rai, Thailand, 1-3 December 2010.

*Being at home: Ethnographic method and the experience of doing research with traditional healers and their customers in Southern Thailand* (**Dusanee Suwankhong & Pranee Liamputtong**). Paper presented at the 'Contemporary Ethnography Across the Disciplines' Conference, University of Waikato, Hamilton, New Zealand, 17-19 November 2010.

*Researching the lived experience of mothers of children with autism qualitatively.* Paper given at the 11th Advances in Qualitative Methods Conference, Vancouver, British Columbia, Canada, 7-8 October, 2010.

*I am physically well but still not happy from inside: A study on antiretroviral therapy among the people injecting drugs (PIDs)* (**Sumitra Devi Shrestha & Pranee Liamputtong**). Paper presented at the 22nd Australasian HIV/AIDs Conference, Sydney, 20-22 October 2010.

*Infant feeding practices: Rates, risks of not breastfeeding and factors influencing breastfeeding.* Invited paper presented at a national symposium on *Human nature, early experience and the environment of evolutionary adaptedness*, the University of Notre Dame, Indiana USA, 10-12 October, 2010.

*Physical and social health effects for older women of wii computer game play* (**Dennis Wollersheim, Lee Koh, Pranee Liamputtong, Nora Shields, Monika Merkes, Lara Walis, & Fay Reynolds**). Paper presented at the Canadian Public Health Association, Toronto, Canada, June 13-16 2010.

*Performing cross-cultural research: The essence of qualitative research.* **Keynote address** given at the 10th Advances in Qualitative Methods Conference, Vancouver, British Columbia, Canada, 8-10 October, 2009.

*Cross-cultural communication and language issues: Methodological and ethical considerations.* Paper given at the 10th Advances in Qualitative Methods Conference, Vancouver, British Columbia, Canada, 8-10 October, 2009.

*Evidence on HAART and quality of life: a call to incorporate HAART using most-at-risk-population voice for the sustainable response against HIV* (**Sumitra shrestha & Pranee Liamputtong**). Paper presented at the 9<sup>th</sup> International Congress on AIDS in Asia and the Pacific (ICAAP): Empowering People, Strengthening Networks, Bali International Convention Centre, Bali, Indonesia, 9-13 August 2009,

*"My child needed support with reading": Perspectives from the parent* (**Tanya Serry, Pranee Liamputtong & Miranda Rose**). Paper presented at the LDA/RSTAQ/SPELD(Qld) Joint Conference, Brisbane, 2009.

*Oral language predictors of the at-risk reader: A review* (**Tanya Serry**, Pranee Liamputtong & Miranda Rose). Paper presented at the Speech Pathology Australia, SPIRE National Conference, Adelaide Convention Centre, Adelaide, 17-21 May 2009.

*Perspectives about the role of oral language as a function of learning to read: Views from primary school educators* (**Tanya Serry**, Pranee Liamputtong & Miranda Rose). Paper presented at the Speech Pathology Australia, SPIRE National Conference, Adelaide Convention Centre, Adelaide, 17-21 May 2009.

*Gender-related barriers to HIV/AIDS treatment programs in Thailand* (Niphattra Haritavorn, **Niyada Kiatying-Angsulee**, Luechai Sringeranyuang, & Pranee Liamputtong). Paper presented at the UNESCO Women's Studies & Gender Research Networking Conference, Imperial Tara Hotel, Bangkok, Thailand, 9-13 February, 2009.

*Authoritative knowledge & birthing care: The clash of traditional and biomedical knowledge and women from Chiang Mai, northern Thailand*. Paper presented in the Panel: "Traditions and Modernity: State-structures and Political Cultures", at *Beijing Forum 2008*, Peking University, China, 7-9 November 2008.

*The discourse of "rang kiat", AIDS support groups and women living with HIV/AIDS in central Thailand*. Paper presented at the 14<sup>th</sup> Qualitative Health Research, Banff Convention Centre, Banff, Canada, 3-6 October 2008.

*Innovative research methods, vulnerable people and social justice: New ways of thinking about doing research in the 21<sup>st</sup> century*. Paper presented at the *New Methods in Social Justice Research for the 21<sup>st</sup> Century* colloquium, sponsored by the Social Justice and Social Change Research Centre, University of Western Sydney, 13 November 2007.

*Qualitative research and research funding in the 21<sup>st</sup> century*. Panel discussion presented at the *New Methods in Social Justice Research for the 21<sup>st</sup> Century* colloquium, sponsored by the Social Justice and Social Change Research Centre, University of Western Sydney, 13 November 2007.

*Motherhood, isolation and social network: The lived experience of Southeast Asian women in Australia*. Paper presented at the workshop "Social Cohesion and Women's Struggles for Equality in Host Countries", at the 12<sup>nd</sup> International Metropolis Conference – Migration, Economic Growth and Social Cohesion, Melbourne, 2-6 October 2007.

*The influence of traditional Vietnamese culture on the utilization of mainstream health services for sexual health issues by second generation Vietnamese Australian young women* (**Helen Rawson** & Pranee Liamputtong). Paper presented at The Australian Society for Psychological Obstetrics and Gynaecology, Melbourne, August 2007.

*Teaching research using logframes* (**Priscilla Robinson**, Beth Rankin, Pranee Liamputtong, Bruce Rumbold & Bircan Erbas). Paper presented at the Australian Network of Academic Public Health Institutions (ANAPHI) Conference, Alice Spring, September 2007.

*Women, migration and human agency*. Workshop organised at the 11<sup>th</sup> International Metropolis Conference – Paths & Crossroads: Moving People, Changing Places, Gulbenkian Foundation and Culturgest, Lisbon, Portugal, 2-6 October 2006.

*The invisible mothers: State policies and immigrant women in Australia.* Paper presented at the workshop “Women, Migration and Human Agency”, at the 11<sup>th</sup> International Metropolis Conference – Paths & Crossroads: Moving People, Changing Places, Gulbenkian Foundation and Culturgest, Lisbon, Portugal, 2-6 October 2006.

*Doing cross-cultural research: Opportunities and challenges for qualitative researchers.* Paper presented at the 7<sup>th</sup> International Interdisciplinary Advances in Qualitative Methods Conference - Looking to the Future: Opportunities & Challenges for Qualitative Research, Surfers Paradise, Gold Coast, Queensland, 13-15 July 2006.

*Researching the vulnerable: Challenging issues for sensitive researchers.* Poster presented at the 7<sup>th</sup> International Interdisciplinary Advances in Qualitative Methods Conference - Looking to the Future: Opportunities & Challenges for Qualitative Research, Surfers Paradise, Gold Coast, Queensland, 13-15 July 2006.

*Doing sensitive research: What are some of the challenges faced by qualitative researchers?* (**Virginia Dickson-Swift**, Erica James, Sandra Kippen & Pranee Liamputtong). Paper presented at the 7<sup>th</sup> International Interdisciplinary Advances in Qualitative Methods Conference - Looking to the Future: Opportunities & Challenges for Qualitative Research, Surfers Paradise, Gold Coast, Queensland, 13-15 July 2006.

*Confinement practices amongst Afghan immigrant women in Melbourne* (**Vicki Tsianakas & Pranee Liamputtong**). Paper presented at the 7<sup>th</sup> International Interdisciplinary Advances in Qualitative Methods Conference - Looking to the Future: Opportunities & Challenges for Qualitative Research, Surfers Paradise, Gold Coast, Queensland, 13-15 July 2006.

*Play Therapy: A holistic approach to treatment of mothers suffering postnatal depression* (**Melissa Buultjens & Pranee Liamputtong**). Poster presented at the 7<sup>th</sup> International Interdisciplinary Advances in Qualitative Methods Conference - Looking to the Future: Opportunities & Challenges for Qualitative Research, Surfers Paradise, Gold Coast, Queensland, 13-15 July 2006.

*Gender, identity and migration.* Workshop organised at the “Gender, Identity and Migration Workshop”, at the 9<sup>th</sup> International Metropolis Conference, Geneva, Switzerland, 27 September-1 October 2004.

*Abortion and gender roles among Hmong immigrant women in Australia.* Paper presented at the “Gender, Identity and Migration Workshop”, at the 9<sup>th</sup> International Metropolis Conference, Geneva, Switzerland, 27 September-1 October 2004.

*Is there room for improving the performance of Drug and Therapeutics Committees (DTCs) in Thai hospitals?* (**Araya Sripairoj**, Ken Harvey & Pranee Liamputtong). Paper presented at “the National Medicines Symposium 2004: Quality Use of Medicines – Time for Total Integration”, Brisbane Convention and Exhibition Centre, Brisbane, 28-30 July 2004.

*Women, migration and health.* Workshop organised at the 10th Qualitative Health Research Conference, Banff, Alberta, Canada, April 30-May 4, 2004.

*Vaginal or caesarean birth?: Lived experiences of Cambodian Lao and Vietnamese immigrant women in Australia.* Paper presented at the Symposium: Women, Migration and Health, the 10th Qualitative Health Research Conference, Banff, Alberta, Canada, April 30-May 4, 2004.

*Prenatal testing from the perspective of Muslim women in Australia* (**Pranee Liamputtong** & Vicki Tsianakas) Paper presented at the Symposium: Women, Migration and Health, the 10th Qualitative Health Research Conference, Banff, Alberta, Canada, April 30-May 4, 2004, with

*Pharmacy and therapeutics committees in Thai hospitals under health reform* (**Araya Sripairoj**, Ken Harvey & Pranee Liamputtong). Paper presented at the “Second International Conference on Improving Use of Medicines”, Chiang Mai, Thailand, March 30-April 2, 2004,

*Life as mothers in a new homeland: The lived experience of motherhood among Southeast Asian immigrant women.* Paper presented at the workshop on “Migration and Health in Asia”, organised by Asia Research Institute, National University of Singapore, Singapore-Bintan, 22-24 September 2003.

*Migration and the burden of multiple identities: Discourse of motherhood among Southeast Asian immigrant women in Australia.* Paper presented the 8th Metropolis Migration Conference, The City Hall, Vienna, Austria, 15-19 September 2003.

*Coming of age in Hmong society: Gender, sexuality, courtship and marriage among young Hmong adults in Melbourne.* Invited paper presented at the “Changing cultural contexts: Representations of the Hmong” conference sessions, organised by the Australian Anthropological Society, the Manning Clark Centre, Australian National University, Canberra, 3-5 October 2002.

*Cultural barriers to effective communication in health care.* Invited paper presented in the panel “Culture, We are not all the same” symposium, organised by the Australian Diabetes Society and Australian Diabetes Educators Association (ADS & ADEA) Annual Scientific Meeting, the Adelaide Convention Centre, Adelaide, 25-27 September 2002.

*Migration, gender and health: The challenge of motherhood among Thai women in Australia.* Paper presented in the workshop “Migration, Gender, Health and Public Policy in Cross-National Perspective”, at the 7<sup>th</sup> International Metropolis Conference, Oslo, 13-15 September 2002.

*When I become a mother: The perspective of Thai women in Northern Thailand.* Paper presented at the “Performing Motherhood: Ideology, Agency and Experience” Conference, organised by Women’s Studies Program, La Trobe University, Melbourne, 4-6 July 2002.

*Ethical issues in cross-cultural research.* **Keynote Address** given at the “Global Bioethics: Exploring Alternative Approaches”, organised by the Australasian Bioethics Association, Adelaide, 14-16 February 2002.

*Uptake of prenatal diagnosis and screening in Victoria* (**Jane Halliday**, Pranee Liamputtong, Robyn Bell, Lyn Warren, & G. McDonald). Paper presented at the 33<sup>rd</sup> Annual Conference of the Public Health Association of Australia, 2001.

*Women as mothers: What does it take to be a mother in the midst of recent economic situation in Thailand.* Paper presented at the “Health and Poverty” Conference, organised by Schools of Sociology and Public Health, La Trobe University and the Ateneo University, the Philippines, 18-20 April 2001.

*Motherhood and immigrant women: The case of Thai women in Melbourne.* Paper presented at the “Helping Families Change: From Theory to Practice” Conference, organised by the Parenting and Family Support Centre, Hilton on the Park, Melbourne, 22-24 February 2001.

*Breastfeeding or not!: Thai mothers’ perceptions of infant feeding practices and the implication for breastfeeding promotion.* Paper presented at the “Improving life through health promotion: Nurses making a difference” Conference, Chiang Mai, Thailand, 31 January – 2 February 2001.

*Women as mothers into the Millennium: The case of Thai women from Northern Thailand.* Paper presented at the 2000 Asian Studies Association of Australia Biennial Conference “Whose Millennium?”, The University of Melbourne, Melbourne, 3-5 July 2000.

*Characteristics and birth outcomes of Asian-born women compared with those of Australian-born women (Lyn Watson, Z. Guanglin & Pranee Liamputtong).* Paper presented at the 4th Annual Congress of the Perinatal Society of Australia and New Zealand, Brisbane Convention and Exhibition Centre, Brisbane, 12-15 March 2000.

*Study of pregnant women in Victoria who are of advanced maternal age (>36 years) and not having prenatal diagnosis (Halliday, J., Liamputtong, P., Bell, R., Warren, R., McDonald, G., & Watson, L.).* Paper presented at the 4th Annual Congress of the Perinatal Society of Australia and New Zealand, Brisbane Convention and Exhibition Centre, Brisbane, 12-15 March 2000.

*A barren body: The social construction of infertility among Hmong women in Australia.* Paper presented at the “Interpreting Infertility: Social Science Research on Childlessness in a Global Perspective” Conference, The University of Amsterdam, Amsterdam, The Netherlands, 8-11 November 1999.

*The obstetric characteristics and birth outcomes of women born in Asia compared with those of women born in Australia.* Paper presented at the Australasian Epidemiological Association Scientific Meeting, Carlton Hotel, Darwin, 30 September – 1 October 1999.

*Rethinking a public health issue: Migrant women and infant feeding (Yelland, J., Small, R., Lumley, J., & Liamputtong Rice, P.).* Poster presented at the 30<sup>th</sup> Annual Conference of the Public Health Association of Australia – Celebrating Public Health: ‘Decades of Development - Decades of Opportunity’, Hobart, 13-16 September 1998.

*Cultural sensitivity or cultural stereotyping? Some evidence for re-thinking how maternity care might be improved for women of non-English speaking backgrounds (Yelland, J., Small, R., Lumley, J., & Liamputtong, P.).* Paper presented at the 2<sup>nd</sup> Annual Congress of the Perinatal Society of Australia and New Zealand, Alice Springs, 29 March – 1 April 1998.

*Children! Children!: The social construction of infertility among Hmong women in Australia.* Invited paper presented at the Fourth National Hmong Conference, Denver, Colorado, USA, 16-18 April, 1998.

*Living the dreams: The Hmong in Melbourne.* Invited paper addressed in a general session at the Fourth National Hmong Conference, Denver, Colorado, USA, 16-18 April, 1998.

*Mothers in a new country: The role of culture and communication in Vietnamese, Turkish and Filipino women’s experiences of giving birth in Australia (Small, R., Yelland, J., Lumley, J., &*

Liamputtong, P.). Paper presented at The Perinatal Society Conference, Alice Spring, March 1998.

*Rights to health - whose health?: Infant feeding choices among women from Southeast Asia.* Paper to be presented at the 29<sup>th</sup> Annual Conference of the Public Health Association of Australia– Rights to Health, Melbourne, 5-8 October 1997.

*The right to be heard: Challenges for cross cultural public health research.* Paper presented at the 29<sup>th</sup> Annual Conference of the Public Health Association of Australia – Rights to Health, Melbourne, 5-8 October 1997.

*Choice or constraint?: Infant feeding amongst Vietnamese, Turkish and Filipino women (Yelland, J., Small, R., Lumley, J., & Liamputtong, P.).* Paper presented at the “Breastfeeding - The natural advantage” Conference, Randwick, Sydney, 23-25 October 1997.

*Childrearing beliefs and practices among Thai mothers in Australia.* Paper presented at the 11<sup>th</sup> Australian SIDS Conference, Melbourne Hilton on the Park, Melbourne, 20-22 1997.

*Is shared care really better? (Small, R., Yelland, J., Lumley, J., & Liamputtong, P.).* Paper presented at The Perinatal Society Conference, Adelaide, March 1997.

*Support, sensitivity, satisfaction: Vietnamese, Turkish and Filipino women's experiences of the postnatal hospital (Yelland, J., Small, R., Lumley, J., & Liamputtong, P.).* Paper presented at The Perinatal Society Conference, Adelaide, March 1997.

*Hluas nkauj, tus poj niam: Gender and sexuality in Hmong young adults.* Paper presented at The Biennial Asian Studies Association of Australia Conference, La Trobe University, Melbourne, 8-11 July, 1996.

*No more children, no more menstruation: The meaning and experience of menopause in Hmong women.* Paper presented at The Biennial Asian Studies Association of Australia Conference, La Trobe University, Melbourne, 8-11 July, 1996.

*Rooming-in and cultural practices.* Paper presented at When Research points to Changing Practice: What Then? Conference, organised by the Centre for the Study of Mothers' and Children's Health, La Trobe University, Melbourne, 17 October 1995.

*'Back translations' are not enough: The challenges of transcultural research (Small, R., Yelland, J., Lumley, J., & Liamputtong, P.).* Paper presented at When research points to changing practice: What then? Conference, organised by the Centre for the Study of Mothers' and Children's Health, La Trobe University, Melbourne, 17 October 1995.

*My soul and my health: Childbirth experience of a Hmong woman.* Paper presented at the Hmong National Education Conference, St Paul, Minnesota, U.S.A., 6-8 April 1995.

*What's research got to do with it?: Maternal and child health care.* **Keynote address** given at the Development of Mothers' and Children's Health Care Services Through Research Conference, organised by the Faculty of Nursing, Burapha University, The Regent Marina Hotel, Pataya, Thailand, 7-9 December 1994.

*Experience in research related to the development of mothers' and children's health: the Australian perspective.* Keynote paper given at the Development of Mothers' and Children's Health Care Services Through Research Conference, organised by the Faculty of Nursing, Burapha University, The Regent Marina Hotel, Pataya, Thailand, 7-9 December 1994.

*The scope of research for the development of mothers' and children's health care services.* Panel discussion at the Development of Mothers' and Children's Health Care Services Through Research Conference, organised by the Faculty of Nursing, Burapha University, The Regent Marina Hotel, Pataya, Thailand, 7-9 December 1994.

*My soul and my health: The childbirth experience of a Hmong woman.* Paper presented at the 3<sup>rd</sup> National Research Forum "Midwifery and the Community", La Trobe University, Melbourne, 28-29 October 1994.

*Women as migrants: Maternity experiences of Hmong women.* Paper given at the "Linking our Histories - Asian and Pacific Women as Migrants", The University of Melbourne, Melbourne, 30 September - 2 October 1994.

*Research methods: Researching with Southeast Asian women.* Paper given at the "Workshop on Southeast Asian Women", Monash Asia Institute, Monash University, Melbourne, 29 September 1994.

*Hmong birth: Implications for public health practice.* Paper given at the "Australia's Role in Public Health in Asia and the Pacific Region", Public Health Association of Australia, Adelaide, 25-28 September 1994.

*My soul has gone: Appropriate methods for a delicate situation in researching health care.* Paper given at Researching Health Care: Methods, Ethics and Responsibility Conference, St. Vincent's Hospital, Melbourne, 7-8 April 1994.

*Cultural differences - Their effect on SIDS incidence and care.* Paper given at the Australian Sudden Infant Death Syndromes Conference, Old Melbourne Hotel, Melbourne, 19-21 November 1993

*Childbearing experiences of Southeast Asian women in Australia.* Paper given at the Fourth Women in Asia Conference, The University of Melbourne, Melbourne, 1-3 October 1993.

*"Toah", spirits, childbirth and health: cultural perceptions and practices in Cambodian women.* Paper given at the Public Health Association Annual Conference, New South Wales University, Sydney, 29 September - 1 October 1993.

*Field researcher and the field: cross-cultural health research in ethnic communities.* Paper given at the Health Research Conference: Methodological Issues in Qualitative Health Research, Deakin University, Geelong, 29 November 1992.

*Cross-cultural issues in conducting research with ethnic communities.* A workshop conducted at the Cross-Cultural Evaluation Special Interest Group Session, Australasian Evaluation Society International Conference, Melbourne, 8 July 1992.

*Southeast Asian adolescents' perceptions of the causes of mental illness and their treatment.* Paper presented at the 12th Annual Congress of the Australian and New Zealand Association of

Psychology, Psychiatry and Law, Melbourne, November 1991.

*Indochinese youth: Mental health and schooling problems.* Paper presented at the National Conference on Indochinese Youth: Reality and Aspiration, The University of Melbourne, June 1991.

*Cross-cultural understanding about concepts of health and illness among Thai children.* Paper presented at the Fifth National Conference on Cross-cultural Communication in the 1990s, La Trobe University, Melbourne, September 1990.

*Concepts of illness in Thai children.* Paper presented at the 14th Annual Symposium, Section of Social and Cultural Psychiatry on Cultural Diversity and Mental Health, Melbourne, September 1989.

*Thai conceptions of illness.* Paper presented at the 20th Annual Conference of the Australian Science Education Research Association (ASERA), Frankston, July 1989.

*Health and sickness causation and the influence of Thai culture among Thai schoolchildren.* Paper presented at the 17th Annual Conference of the Australian Science Education Research Association (ASERA), Adelaide, May 1986.

## **PROFESSIONAL CONFERENCES**

*Cross-cultural childbearing and childrearing.* Invited paper given at Midwifery Challenges - CPD Conference, Rydges Sydney Central, Sydney, 26-27 May 2016.

*Maternity and reproductive choices amongst Asian women.* Invited paper given at Skills for Modern Midwives Conference, organized by Ausmed Publications, Ibis Hotel, Melbourne, 17-18 March, 2011.

*Maternity and reproductive choices amongst Asian women.* Invited paper given at The Modern Midwives Conference, organized by Ausmed Publications, Ibis Hotel, Melbourne, 9-10 March, 2005.

*Perceptions and management of miscarriage, stillbirth and neonatal death among Hmong immigrant women.* Invited paper given at The 2nd National Midwifery Conference, organized by Ausmed Publications, Ibis Hotel, Melbourne, 26-27 February, 2001.

*Childrearing beliefs and practices in Southeast Asian cultures: Implications for Sudden Infant Death Syndrome.* Invited paper given at The 2nd National Midwifery Conference, organized by Ausmed Publications, Ibis Hotel, Melbourne, 26-27 February, 2001.

*Cultural sensitivity during pregnancy and childbirth: How do we go about it?* Invited paper presented at the Modern Midwives: The 2nd National Nursing Conference, organized by Ausmed Publications, Carlton Crest Hotel, Melbourne, 22-23 February, 2000.

*Infant feeding: The cultural beliefs and practices among Southeast Asian women living in Melbourne.* Invited paper presented at the Breastfeeding – Breaking Down the Barriers Conference, organized by the Nursing Mothers Association of Australia, Dookie Agricultural College, Dookie, Shepparton, 13-15 February, 1998.

*The act of giving birth: Childbearing experience of Thai mothers in Australia.* Invited paper given at the *Thai Srang Thai Dai* (The Thais are capable of producing Thais) Conference, Pra Pokklow Hospital, Chanthaburi, Thailand, 20 January 1997.

*Asian mothers - Australian birth: Social and cultural diversity.* Invited paper given at the Asian Mothers, Australian Birth Conference, The Tracy Education Centre, Melbourne, 6 December 1996.

*Pregnancy, birth and confinement: The case of Thai mothers.* Invited paper given at the Asian Mothers, Australian Birth Conference, The Tracy Education Centre, Melbourne, 6 December 1996.

*Infant feeding practices among Southeast Asian mothers.* Invited paper given at the Birth Issues Conference, Virginia Palms Motel, Queensland, 30 November - 2 December 1996.

*Birth: and culture.* Invited paper given at the Birth Issues Conference, Virginia Palms Motel, Queensland, 30 November - 2 December 1996.

*What's culture got to do with it?: The challenges confronting a migrant mother in Australia today.* keynote paper given at See It Through My Eyes: The Inter Cultural Differences Of Childbirth Conference, organised by Ausmed Publications, The Landmark Hotel, Sydney, 19-20 June 1995.

## PUBLIC LECTURES

*Doing research in cyberspace: Part 1.* Public lecture given at the Faculty of Public Health, Kyoto University (via zoom), 17 November 2020.

*Doing research in cyberspace: Part 2.* Public lecture given at the Faculty of Public Health, Kyoto University (via zoom), 18 November 2020.

*Living with breast cancer and meaning-making among Thai women.* Public lecture given at the Faculty of Medicine, University of Malaya, Malaysia, 6 December 2017.

*Is breastfeeding best for me and my baby?: Infant feeding practices and women in Northern Thailand.* Public lecture given at the Faculty of Medicine, University of Malaya, Malaysia, 5 December 2016.

*Researching the vulnerable: Methodological and ethical perspectives.* Public lecture given at the Faculty of Medicine, University of Malaya, Malaysia, 6 October 2015.

*Qualitative research inquiry and health care.* Public lecture given at Thaksin University, Phthalung, Thailand, 19 July 2014.

*Researching vulnerable people and implications for health services.* Public lecture given at Flinders University, South Australia, 2 November 2010.

*Breast is best?: Infant feeding practices and women in northern Thailand.* Public lecture given at the Department of Community Health Sciences, Faculty of Medicine, the University of Calgary, 22 September 2008.

*The essence of qualitative research in nursing and health care (4 lectures): Why qualitative*

*research in nursing and healthcare?; theories, sampling and ethical issues; qualitative research methods; and making sense of qualitative data and re-presenting the voices of research participants.* Public lectures given at St. Louise College, Bangkok, Thailand, 17 February 2006.

*Qualitative methodology and the health and pharmaceutical sciences (4 lectures): Introduction to qualitative research; data collection methods; making sense of the data; and representation of qualitative data- writing up.* Public lectures given at Chulalongkorn University, Bangkok, Thailand, 29 March 2005.

*Culturally sensitive health care in birthing services: Why is it important for quality hospital care?* Public lecture given at the “Quality Care Week”, Box Hill Hospital, 15 May 2000.

*Ethnic minorities and health care.* Public lecture given at the St John Ambulance Australia (Victoria) Northern Metropolitan Corps Members, Northcote, 6 September 1999.

*Cross-Cultural childrearing practices in Southeast Asian cultures (Hmong and Thai).* Public lecture given for the Australian Association for Infant Mental Health (Vic) members, Foundation Life Members Room, The University of Melbourne, 30 June 1998.

*Women as mothers: The experience of motherhood among Hmong women from Laos.* Public lecture given at Boulder Community Library, Boulder, Colorado, U.S.A., 15 April 1998.

*Rocking the cradle and rocking the boat - motherhood and feminism: The challenge of migrant mothers.* Paper given at the Women Changing: Rocking The Cradle And Rocking The Boat - Motherhood And Feminism Today Public Lecture Series, organised by Centre for Women's Studies, Monash University, Melbourne, 26 May 1995.

### INVITED SEMINARS AND OTHER PRESENTATIONS

*Writing manuscripts for publication.* Paper to be given at the postgrad seminar at the College of Public Health Sciences, Chulalongkorn University, 2 April 2021.

*Sexuality of people living with HIV/AIDS, sex workers: Unsafe sex, condom use and stigma.* Lecture to be given for MPH and DRPH students at the College of Public Health Sciences, Chulalongkorn University, 18 March 2021.

*Culture and health.* Paper presented at the seminar organised by the Faculty of Public Health, Mahidol University, Thailand, 5 February 2021.

*Qualitative inquiry and public health.* Paper presented at the seminar organised by School of Public Health, Kyoto University, Kyoto, Japan, 26 March 2019.

*Stigma, discrimination and children and young people living with HIV/AIDS.* A **keynote paper** giving at the Stigma in childhood project seminar: Experiencing and measuring stigma in childhood, as part of the project Stigma in Childhood: Learning from Other Places, Scottish Universities Insight Institute, Strathclyde University, Glasgow, Monday 26 June 2017. |

*Good motherhood discourses: Southeast Asian immigrant mothers in Melbourne.* Paper presented at the Centre for Health Research, School of Medicine, Western Sydney University, 20 June 2016.

*My life as an HIV-positive mother: Motherhood discourse among Thai women living with HIV.*

Paper presented at the Mothers, Babies and their Families (MIFam) seminar series, 2 March 2016.

*Researching the vulnerable: Methodological and ethical issues.* Paper presented at the Faculty of Nursing, Chiang Mai University, 10 December 2014.

Qualitative inquiry and its essence in nursing and health care. Paper presented at the Faculty of Nursing, Chiang Mai University, 9 December 2014.

*Writing for publications.* Paper presented at the Faculty of Nursing, Chiang Mai University, 2 December 2014.

*Cross-cultural childbearing research: The need for qualitative/innovative inquiry.* Paper presented at the “Migrant mothers caring for the future: Creative interventions in making new citizens” seminar series, organised by the Faculty of Social Sciences, Open University, UK, 7 March 2014.

*The development of communicatively accessible healthcare environments (Robyn O’Halloran, Shan Yan Lee, Miranda Rose & Pranee Liamputtong).* Paper given at St Vincent’s Hospital Sub Acute Seminar, 20<sup>th</sup> March 2013.

*Deviance, differences and stigma as social determinants of health.* Paper given at the Faculty of Public Health, Thammasat University, 14 December 2012.

*Determinants of health: Implications for global health practices.* A series of paper (3) presented at the Faculty of Health and Sport Sciences, Thaksin University, Thailand, 10 December 2012.

*‘Good motherhood’ and Southeast Asian immigrant women in Melbourne.* Public seminar given at Flinders Northern Territory, Katherine Campus, Katherine, Northern Territory, 17 August 2012.

*Cultural sensitivity: A responsible researcher.* Paper given at the School of Public Health’s Seminar Program, 18 April 2012.

*Qualitative research: Its essence in health and nursing research.* Paper presented for nursing staff at Chiang Rai Prachanukroh Hospital, Chiang Rai, Thailand, 20 December 2011.

*Stigma and AIDS support groups: Embodied experiences of women living with HIV/AIDS in central Thailand.* Paper presented at the Australian Research Centre in Sex, Health & Society, Melbourne, 19 October 2011.

*Living positively: The lived experiences of women living with HIV/AIDS in central Thailand.* Paper given at the School of Public Health’s Seminar Program, 1 June 2010.

*Infant feeding practices: Rates, risks of not breastfeeding and factors influencing breastfeeding.* Paper given at the School of Public Health’s Seminar Program, 22 September 2010.

*Cross-cultural research and the essence of qualitative inquiry.* 2010. Paper given at Mothers and Child Health Research Centre, La Trobe University, 17 June 2010.

*Researching the vulnerable: Ethical and methodological considerations.* Paper given at the Doctoral School, Massey University, New Zealand, 18 November 2009.

*The essence of qualitative research approach in psychological science.* Paper given at the seminar

series for the 19 first year clinical and clinical neuroscience psychology postgraduate program, School of Psychological Science, La Trobe University, 28 October 2009.

*Communication and language Issues: Methodological and ethical considerations in cross-cultural research.* Paper given at the School of Public Health's Seminar Program, 16 September 2009.

*Online dating and young people project – Methodological consideration* (Danielle Couch, Pranee Liamputtong & Marian Pitts). Paper given at the School of Public Health's Seminar Program, 26 August 2009.

*Researching the vulnerable: Methodological considerations.* Paper given at lunch time seminar, Mothers and Child Health Research Centre, La Trobe University, 24 June 2009.

*Childbirth expectations and choices of women of non-English speaking backgrounds.* A talk-back program with Margaret Throsby, "Life Matters" program, Radio National ABC Sydney, November, 1993.

*Birthing practices of women from Southeast Asia.* An interview with Margaret Throsby, "Life Matters" program, Radio National ABC, Sydney, October, 1993.

*Why choosing us?: A personal interest in conducting research in the Cambodian community.* An interviewed program broadcasted in Southeast Asia by the Cambodian Section, Radio Australia, September 1992.

*Concepts of health and illness in Thai people.* An interviewed program broadcasted in Southeast Asia by the Thai Section, Radio Australia, March 1987.

#### EXAMINATION OF THESES (105 PhD theses thus far)

PhD, Department of Sociology, PMAS Arid Agriculture University, Rawalpindi, Pakistan, 2021.

PhD, International Islamic University Malaysia, 2021.

PhD, School of Health and Social Development, Deakin University, Australia 2021 (2 theses).

PhD, School of Nursing Midwifery & Indigenous Health, Charles Sturt University, Australia, 2021.

PhD, Department of Sociology, Psychology & Social Work, The University of the West Indies, Jamaica, 2021.

Honour thesis, School of Nursing and Midwifery, Faculty of Health, University of Technology Sydney, 2020.

PhD, School of Public Health & Community Medicine, University of New South Wales, 2020.

PhD, Faculty of Medicine, The Universiti of Malaya, Malaysia, 2020.

PhD thesis, School of Culture History and Languages, College of Asia and the Pacific, The National University of Australia, 2020.

MPhil thesis, School of Public Health, The University of Queensland, 2020.

PhD, Faculty of Health, University of Technology Sydney, 2019.

PhD, Centre for Social Research in Health, The University of New South Wales, 2019.

PhD, Department of Population Health, University of Otago, New Zealand, 2019.

PhD, Department of Psychology, Stellenbosch University, South Africa, 2019.

PhD, Faculty of Medicine and Health Sciences, Universiti Putra Malaysia, Malaysia, 2019

PhD, Centre for Environment and Population Health, School of Environment, Griffith University, 2019.

PhD, School of Social Sciences, Faculty of Arts, Monash University, 2019.

PhD, School of Nursing and Midwifery, University of Technology Sydney, 2019.

PhD thesis, School of Social and Political Sciences, the University of Sydney, 2018.

PhD thesis, School of Social Science, the University of Queensland, 2018.

PhD thesis, Faculty of Health, Deakin University, 2018.

PhD thesis, School of Occupational Therapy and Social Work, Curtin University, 2018.

PhD thesis, College of Nursing & Health Sciences, Flinders University, 2018.

PhD thesis, Faculty of Health, University of New England, 2018.

PhD thesis, School of Health Sciences, Deakin University, 2018.

Master by Research thesis, School of Public Health and Community Medicine, University of New South Wales, 2018.

PhD thesis, Faculty of Medicine, Universiti of Malaya, Malaysia, 2018.

PhD thesis, School of Humanities and Social Sciences, Deakin University, 2018.

PhD thesis, Southgate Institute for Health, Society and Equity, Flinders University, 2018.

PhD thesis, PAPRSB Institute of Health Sciences, Universiti Brunei Darussalam, Brunei, 2018.

PhD thesis, Faculty of Health, University of Technology Sydney, 2017.

Master of Philosophy thesis, School of Nursing, Science Medicine and Health, University of Wollongong, 2017.

PhD thesis, The Australian Research Centre for Sex, Health and Society, La Trobe University, 2017.

PhD thesis, International Islamic University Malaysia, 2017.

PhD thesis, School of Social Science, The University of Queensland, 2017.

Master of Research thesis, Department of Anthropology, Macquarie University, 2016.

PhD thesis, Centre for Social Research in Health, the University of New South Wales, 2016.

PhD thesis, School of Justice, Faculty of Law, Queensland University of Technology, 2016.

PhD thesis, School of Humanities and Social Sciences, Deakin University, 2016.

PhD thesis, School of Population and Global Health, the University of Melbourne, 2016.

PhD thesis, Faculty of Medicine, Universiti of Malaya, Malaysia, 2016.

PhD thesis, Research School of Population Health, College of Medicine, Biology and Environment, the Australian National University, 2015.

PhD thesis, School of Public Health & Community Medicine, University of New South Wales, 2015

PhD thesis, School of Nursing & Midwifery, Flinders University, 2015.

PhD thesis, Religion and Society Research Centre, University of Western Sydney, 2015.

PhD thesis, Centre for Environment and Population Health, Griffith University, 2015.

PhD thesis, School of Health, Nursing & Midwifery, University of Southern Queensland, 2015.

Master of Health Science thesis, School of Psychology and Public Health, La Trobe University, 2015.

Graduate Diploma in Research Methodology – Social Work, La Trobe University, 2015.

PhD thesis, Department of Primary Care Medicine, Faculty of Medicine, University of Malaya, 2014.

PhD thesis, School of Health, University of New England, 2014.

PhD thesis, Faculty of Educational Studies, University Putra Malaysia, 2014.

PhD thesis, Faculty of Medicine, University of Malaya, 2014.

PhD thesis, School of Graduate Studies, University Putra Malaysia, 2014.

PhD thesis, School of Nursing, Midwifery and Indigenous Health, Charles Sturt University, 2014.

PhD thesis, School of Global, Urban and Social Studies, RMIT University, 2014.

PhD thesis, School of Nursing, Massey University, 2014.

PhD thesis, Faculty of Education and Social Work, The University of Sydney, 2013.

PhD thesis, School of Health, University of New England, 2013.

Doctor of Health Services Management thesis, University of New England, 2013.

PhD thesis, Centre for Health and Society, The University of Melbourne, 2013.

PhD thesis, Faculty of Life and Social Sciences, Swinburne University, 2013.

PhD thesis, Centre for Health Equity Training Research & Evaluation (CHETRE), University of New South Wales, 2013.

PhD thesis, School of Medicine, the University of Queensland, 2013.

Honours thesis, School of Public Health, La Trobe University, 2013.

Honours thesis, School of Public Health, La Trobe University, 2012.

Graduate Diploma in Health Research Methodology thesis, School of Social Work, La Trobe University, 2012.

PhD thesis, School of Education, The University of Queensland, Brisbane, 2012.

PhD thesis, School of Public Health, Griffith University, 2012.

PhD thesis, Department of Marketing, Monash University, 2012.

PhD thesis, School of Public Health & Community Medicine, University of New South Wales, 2012.

PhD thesis, Physiotherapy, School of Health Sciences, University of South Australia, 2012.

PhD thesis, Department of Media, Music, Communication and Cultural Studies, Faculty of Arts, Macquarie University, 2012.

PhD thesis, Department of Community Health, Faculty of Medicine and Health Sciences, University Puta Malaysia, Malaysia, 2012 (3 theses).

PhD thesis, Centre for Cultural Research, University of Western Sydney, 2012.

PhD thesis, School of Medicine, Social Health Sciences, Flinders University, 2012.

PhD thesis, School of Education Studies, University of KwaZulu-Natal, South Africa, 2012.

PhD thesis, Faculty of Health Sciences, University of Western Australia, 2011.

PhD thesis, Department of Anthropology, Faculty of Arts, Macquarie University, 2011.

PhD thesis, Western Australian Centre for Health Promotion Research, Curtin University of Technology, 2011.

PhD thesis, Department of Anthropology, Faculty of Arts, Macquarie University, 2011.

PhD thesis, Faculty of The Professions, University of New England, 2011.

PhD thesis, School of Health Sciences, Massey University, New Zealand, 2011.

PhD thesis, School of Nursing and Midwifery, College of Health and Science, University of Western Sydney, 2011.

PhD thesis, Faculty of The Professions, University of New England, 2010.

PhD thesis, School of Social Science, University of Western Sydney, 2010.

PhD thesis, International Development, Faculty of Arts, Deakin University, 2010.

PhD thesis, Department of Community Health, Faculty of Medicine and Health Sciences, University Puta Malaysia, Malaysia, 2010.

PhD thesis, School of Public Health, Faculty of Health Sciences, Flinders University, 2010.

PhD thesis, School of Education and Development, University of KwaZulu Natal, South Africa, 2010.

PhD thesis, School of Public Health, Griffith University, 2010.

PhD thesis, School of Nursing & Midwifery, Faculty of Health Sciences, Flinders University, 2009.

PhD thesis, School of Health Sciences, Massey University, New Zealand, 2009.

PhD thesis, Faculty of Education, University of Auckland, New Zealand, 2009.

PhD thesis, School of Educational Studies, University of KwaZulu Natal, South Africa, 2009.

PhD thesis, School of Social and Cultural Studies, the University of Western Australia, 2009.

PhD thesis, Faculty of Health Sciences, The University of Sydney, 2009.

Doctor of Health Science thesis, School of Health Sciences, Deakin University, 2009.

Master of Health Promotion thesis, School of Public Health, La Trobe University, 2009.

Honours thesis, School of Public Health, La Trobe University, 2009.

PhD thesis, School of Health Sciences, Deakin University, 2008.

Doctoral of Health Service Management thesis, Faculty of The Professions, University of New England, 2008.

PhD thesis, School of Psychology, Psychiatry and Psychological Medicine, Faculty of Medicine, Monash University, 2008.

Honours thesis, School of Public Health, La Trobe University, 2008.

PhD thesis, Faculty of The Professions, University of New England, 2007.

PhD thesis, Key Centre for Women's Health in Society, the University of Melbourne, 2006.

PhD thesis, School of Social Sciences, Deakin University, 2006.

PhD thesis, Health and Social Science Research Centre, Monash University, 2006.

PhD thesis, Faculty of Nursing Midwifery and Health, the University of Technology, Sydney, 2006.

Honours thesis, School of Public Health, La Trobe University, 2006.
