A screenshot of a Zoom meeting showing a presentation slide. The top bar indicates 'Recording LIVE on Custom Live Streaming Service' and 'You are viewing Atsushi Yabe (NMNS)'s screen'. The slide title is 'Special international seminar on "Biodiversity Conservation and Museum Management" PSUNHM & PSU, Thailand (Feb 21-23, 2022)'. The main content is titled 'Contents' and lists three bullet points:

- **Overview of the history of plants based on fossils**
—importance of geological/paleontological collections?
- **Variation of paleobotanical specimens**
—how to conserve specimens?
- **Museum collection, management and our activities**

On the right side of the slide, there is a small video thumbnail of Atsushi Yabe (NMNS). The bottom bar shows controls for Unmute, Start Video, Participants (27), Chat (12), Share Screen, Record, Reactions, and a Leave button.
